My house was built in 2018, and I've had shingles fly off multiple times a year due to strong winds. Tyler was down to earth, well-spoken, knowledgeable, and conducted a free walk-through. He

assisted me in filing a new claim with my insurance and was the main point of contact throughout the process. Thanks to his expertise, the insurance agreed to cover the cost of a new roof. Within a week, I had a beautiful, reliable, durable, stylish, and affordable new roof. I am so grateful for Roof Royale's professionalism and highly recommend their services.?
