?We have no hidden fees,? says the spokesperson for Burswood Car Rentals Perth. ?The price you see is the price you pay. So, no more unexpected surprises when you are finished renting our cars, something that is a familiar story with other rental companies in the region. Our car hire excess is also extremely affordable. You get peace of mind knowing what you?re getting beforehand and paying lower premiums.?

With Burswood Car Rentals, customers also get to enjoy the assurance of free roadside assistance. All its cars hired in Perth are covered by RAC Roadside assistance which means that, in the unlikely event that they get stuck, the company has the infrastructure to get customers back on their way. Moreover, the company?s rental cars also don?t have any stickers on them which ensures that they are not targeted by thieves, lowering the risk for its clients.

Customers can pick up their vehicles from its Perth depot or the company can also arrange for them to collect them from any Perth airport or hotel within 20 km of its offices. Apart from its reasonable pricing across its rental car range, the company also offers year-round daily and weekly specials for its inventory of modern, small, medium, and large rental cars for hire. Burswood Car Rentals Perth prides itself on having a long-standing reputation for professional customer service and satisfaction. This is apparent on its Google Business Profile which boasts a stellar overall rating of 4.7 out of 5.0 from over 600 reviews. Customers praise the professionalism, communication, and helpfulness of the staff members, the well-maintained and clean rental cars, and the affordable pricing on the rental car range.

A recent review says, ?Renting a vehicle is usually something that is a little mundane and not worthy of any comment, this rental was very different. The communication from this business from the initial booking to collecting the vehicle was amazing. The offer of a cooler to keep our food cold whilst traveling was above and beyond. This business is so focused on providing value and a personal experience, that it felt as if we borrowed a car from a family member. Collecting the vehicle late at night after a long flight was a breeze, the instructions were written for someone without any local knowledge. The car was brilliant for our 16-day holiday. Well done Burswood Car Rentals, we will be contacting you again when we next visit WA.?

Another client writes, ?My family and I were pleasantly surprised with the absolute hassle-free and extremely swift & efficient handing/taking over procedures of our rental car. Rented the Audi Q3 and it was not only new but came super clean. My 6-year-old son enjoyed the long car rides to & from the farm stay at Margeret River that he pleaded for more days with the same car when we were back in Perth CBD. My request for the extension of use of the car for 2 more days was done via WhatsApp and confirmed over email within minutes. Super impressive and highly recommended!?
