

Cornelia Cosmetic Dentist Helps a Person Achieve a Smile that?s Life Changing

January 05, 2024

Cornelia, Georgia - January 05, 2024 -
Ferdos Family Dental, which provides cosmetic dentistry services in Cornelia, GA, wants to emphasize that a smile can transform a person?s life. Dr. Mark Ferdos and wife Dr. Meg Ferdos serve as the dentists for this clinic based in Demorest, GA. A beautiful and captivating smile can enhance a person?s self-esteem and self-confidence, allowing people to present the best version of themselves. A smile can also build trust and rapport. When a person smiles, the neurotransmitter endorphin is released, which allows a person to feel happy and to experience reduced stress levels.

Dr. Mark Ferdos says, ?Understanding the profound impact a smile can have, we at Ferdos Family Dental concentrate on excelling in cosmetic dentistry in Cornelia and Habersham County, ensuring you can radiate confidence, boost your self-esteem, and embody the best version of yourself by flaunting a captivating smile.?

Ferdos Family Dental offers teeth whitening; porcelain veneers; dental implants; and composite bonding,

inlays/onlays, dental crowns/bridges, and laser gum lift/removing a gummy smile. Dr. Mark Ferdos says, ?For individuals who grapple with discolored, broken, chipped, or missing teeth, smiling openly can be a daunting prospect due to embarrassment over their dental condition. This self-consciousness can adversely affect life quality. However, cosmetic dentistry can alleviate this by bestowing a newfound reason to smile.?

There are a number of factors that differentiate Ferdos Family Dental from other similar service providers in the area. First of all, the clinic offers a serene, tranquil atmosphere that ensures patients feel comfortable and relaxed. Second, they offer a team that is dedicated to offering the best quality of dental care. Third, they have a clinical team specializing in every aspect of cosmetic dentistry.

For those who have broken, discolored, missing, or chipped teeth, smiling can be difficult as a result of their being embarrassed about their dental condition. This self-consciousness can negatively affect a person?s quality of life. With cosmetic dentistry, a person will have a reason to smile again, thus, boosting one?s self-confidence and self-esteem.

The quality of the services they provide is attested to by the five star reviews they have been receiving from very satisfied patients. They currently have an enviable overall rating of 5.0 out of 5 stars on Google. In a recent review, Maureen F. gave them a five star rating and said, ?I had my first experience with Ferdos today. The staff is very friendly, professional and accommodating. I am one who has terrible anxiety about going to the dentist. The staff at Ferdos did their best to make me feel comfortable. Dr Ferdos was very patient and explained things thoroughly. He came up with a clear plan to get my dental health on track. I would highly recommend them to anyone looking for a new dental home.?

Founded in 2016, Ferdos Family Dental is a local family-owned dental practice located in Demorest, CA, and serves Demorest and neighboring areas including Cornelia and Habersham County. It is owned and operated by husband and wife dentists, Dr. Mark Ferdos and Dr. Meg Ferdos, who aim to offer the best quality, comprehensive dental care for the whole family. Fourth, they offer top-level pre- and post-procedure for cosmetic dentistry processes. Fifth, they have a multi-disciplinary dental specialist team that can handle all dental needs.

Although a native of Cobb County, Dr. Mark Ferdos moved to Habersham with his wife in 2016. He graduated summa cum laude with a BS degree in Biotechnology from Kennesaw State University. He completed his Dental Medicine degree at the Medical College of Georgia. He is focused on cosmetic dentistry, oral surgery, and sedation dentistry. He has obtained advanced training in oral surgery, cosmetic dentistry, and implant dentistry and he is board certified to offer IV sedation for patients in the dental setting.

Dr. Meg Ferdos grew up in Toccoa, GA, and has been around dentistry her whole life because her father is also a dentist. She graduated valedictorian with a BS degree in Biology. She finished her dental degree at the

Medical College of Georgia where she received the Quintessence International Award of Achievement in Periodontics upon graduation.
