

KAV Health Group, LLC Now Accepting Walk-In Admissions Without Appointments

November 15, 2023

Dayton, Ohio - November 15, 2023 - PRESSADVANTAGE -

DAYTON, OH ? KAV Health Group, LLC announces it has updated its operational procedures to improve access to its substance use and mental health treatment services. The center is now accepting walk-in admissions at its Dayton office at 5563 Far Hills Ave., Dayton, OH 45429, removing the requirement for prior appointments. This change is implemented to streamline the admission process, enabling individuals to receive immediate assistance for substance use and mental health challenges.

?Introducing walk-in admissions is a key strategic decision to enhance the accessibility of our services,? said Kimberly Handegard, Executive Director of KAV Health Group, LLC. "This change is expected to increase clients? access to urgent and necessary care and support, reflecting our ongoing commitment to meet the community's needs effectively and compassionately."

This new procedure aligns with the organization?s objective of improving service delivery, ensuring that individuals facing mental health and substance use issues can receive prompt intervention and support. The removal of the appointment prerequisite is an administrative adjustment aimed at simplifying the admission process and improving the responsiveness of the center's services. Patients who wish to reserve an

appointment ahead of time at the Dayton office are still welcome to do so.

"The update is designed to optimize not only our operational efficiency, so we can respond to immediate needs more effectively, but also to provide even more support for clients and people struggling with addiction," said Handegard. "Our goal at KAV Health Group will always be the same: to provide reliable and supportive services to those dealing with substance use and mental health challenges."

The implementation of walk-in admissions is one of the key steps taken by KAV Health Group, LLC, to adapt its operational strategies in response to the evolving needs of the community. By offering more flexible admission procedures, the center aims to ensure that individuals can access necessary services with minimal barriers.

KAV Health Group, LLC also provides customized medication assisted treatment (MAT) programs for clients with addiction and substance abuse disorders to help calm and curb any cravings the brain may have for opioids or similar substances, letting patients fully focus on healing through counseling and therapy. Medication assisted treatment (MAT) at KAV Health Group uses FDA Approved medications to enhance patients' lives and make mental health and addiction issues more manageable.

KAV Health Group, LLC's professional care team is there for clients at physical locations across Ohio, including in Cincinnati, Dayton, and Columbus, with walk-in services available without an appointment at its Dayton office, located at 5563 Far Hills Ave., Dayton, OH 45429. Their licensed professionals provide services for a range of mental health issues, and extensive addiction recovery programs to heal clients' minds and bodies and are both able and willing to accommodate same-day appointments.
