LinkJuce SEO Digital Marketing in Wilmington, NC, Moves To New Location

November 30, 2023

Wilmington, North Carolina - November 30, 2023 -
Wilmington, NC, digital marketing company LinkJuce has announced that it has moved to a new location in Downtown Historic Wilmington on Water St.

The new location has been renovated and upgraded to include a video production studio and expanded employee space for 2024. Clients will now benefit from LinkJuce?s improved infrastructure with more resources for the Wilmington digital marketing agency to satisfy the needs of its business clients. The company is urging local, regional, and national businesses to find out more about the company?s wide range of SEO services and how it can take their business ventures to the next level.

?If your business is not on the first page of Google for your target keywords,? says Adrian Willis, the spokesperson for LinkJuce, ?it might as well not exist. We understand how frustrating it can be to pour your heart and soul into delivering exceptional products and services but still get ignored by the market due to the absence of an effective and cohesive digital marketing strategy. LinkJuce has a proven track record of ranking websites, Google My Business profiles, and videos. Contact us today to get started with our SEO Services in Wilmington NC that are assured of driving attention to your business and having customers sign up for what you have to offer.?

The company?s services include local SEO optimization, Google My Business GMB optimization, search engine ranking, YouTube video ranking, website SEO, social media, video/content production, and consulting. LinkJuce?s SEO experts stay ahead of the changes made to Google Search algorithms that allow them to switch and adopt strategies for the most bang for the buck for their customers. Its SEO experts are part of several Mastermind SEO groups that allow them to correct course in changing winds and deliver results quickly.

?We can show you how to engage your business with loyal customers and generate new and future clients,?

says Adrian. ?We can build image and video campaigns suitable for all social media marketing platforms. We go one step further and automate the process so that you are always at the front of your customers? minds with a regular stream of content designed to keep them hooked. This is a critical marketing strategy in 2024 when all your potential clients are online, and you need a way to keep them engaged.?

LinkJuce?s Local SEO package is ideal for businesses with 10 to 15 local competitors and costs anywhere from $299 to $699 per month. It includes ranking analysis & mapping, keyword research, GMB optimization & review building, connecting GMB to WordPress, social media promo video, directory/backlink building, monthly map ranking report, WordPress maintenance, email ? telephone support, and map pack ranking for 1-3 months.

The company?s Regional SEO package is designed for businesses with 15 to 30 competitors and costs between $700 and $1500 per month. It includes everything in the Local SEO package plus in-depth SEO analysis, creation of landing pages, business explainer video, 2 social media promo videos, original content creation, social media postings, deep backlink building campaigns, regular website tune-ups, monthly consultations, and map pack ranking for 3-6 months.

Finally, its Broad Reach SEO package is meant for large businesses in competitive niches.
