

Allfloors Trade Centre Is Offering A Range Of Residential Flooring Options In Maidstone

November 30, 2023

Kent, England - November 30, 2023 - PRESSADVANTAGE -

All Floors Trade Centre is providing the quality flooring services its customers need in Maidstone.

The full range of products offered by All Floors Trade Centre includes carpet, vinyl flooring, LVT flooring, laminate flooring, wood flooring, safety flooring, carpet tiles, artificial grass, and more. All its flooring options can be customized to suit its customers' lifestyles, budgets, and preferences. With more than 100 years of combined industry experience, the company's solutions are regarded by both commercial and residential customers for their exceptional quality and service.

"There are many considerations you need to make while choosing the ideal flooring for your home," says the spokesperson for All Floors Trade Centre. "Starting with durability and longevity, you have to choose materials that can withstand occasional heavy traffic and daily wear and tear. You should also aim to achieve a level of aesthetic appeal and style based on your tastes and budget. Some flooring materials provide advanced comfort and safety features such as improved insulation, noise reduction, and slip resistance that

you can consider for certain areas of your home or business. Finally, the right flooring option choice can also heavily impact your property values making your home desirable to potential buyers years down the line.?

Carpet flooring, designed for bedrooms and living rooms, provides a soft and comfortable surface to walk on as well as extra insulation and noise reduction. Vinyl offers water resistance and low maintenance properties and is great for high-traffic areas with children and pets, and in households that prefer hassle-free cleaning. It is also available in various colors and designs at affordable prices.

LVT flooring is durable and stylish for residential and commercial areas. It boasts realistic textures and patterns that can mimic hardwood or stone while providing all the benefits of vinyl flooring. Laminate is an easy-to-maintain, affordable, and versatile option that is highly resistant to scratches and stains and is ideal for busy households.

Hardwood flooring adds value and timeless elegance to a room. It is durable, easy to clean, and, with the right maintenance, it can last for decades. Finally, artificial grass is a low-maintenance and sustainable option for outdoor spaces that, in addition to reducing water usage and lawn maintenance costs, is perfect for households with children and pets.

All Floors Trade Centre has received the support and admiration of its customers in Kent and nearby areas. The company's Google Business Profile even boasts a near-perfect 4.9 out of 5.0 overall rating from over 30 reviews with customers praising its ability to meet all standard and eclectic flooring needs, welcoming and knowledgeable staff, the high-quality showroom, and the excellent customer service throughout the purchase and installation process.

This five-star review of AllFloors Trade Centre says, "A very friendly and professional team. Every person we dealt with was very helpful, polite, and respectful. My carpet looks fantastic and has completely changed the look of my place. Thank you!"

Another reviewer writes, "We went to All Floors as recommended by a friend. They provided a professional, prompt service and offered premium products to choose from. The flooring has a Lifetime Guarantee. We were able to take home large sample boards to see how the floor would actually look in situ and this helped with making our choice. We needed part of the flooring raised to make it all one level and this was completed by All Floors too. All the workmen were hardworking and tidy. We are delighted with the final result and are likely to return to have our stairs and landing carpeted. As a bonus, they also accept the Blue Light card so we got a discount! Thank you."
