Adults and children were able to join in on the fun with corn hole, putt putt golf, connect four, shooting hoops with final four and throwing axes with the Battle of the Axes inflatables! The staff was on time to set up early in the morning and were very friendly! The staff came back the same day and broke everything down for me without me lifting a finger! The young men were so professional and punctual! AWESOME customer service! My experience was pleasant from the beginning to the end. Beverly showed me patience as I tried to narrow down my selections in the beginning and for that, I will be using this company in the near future for all my fun entertainment and I recommend you to search no more?
