

New Website For Northland Dumpsters Features Robust Online Booking System

December 14, 2023

December 14, 2023 -
Northland Dumpsters, a dumpster rental company based in Kansas City, MO, has announced the launch of its newly updated website with a much-needed facelift to better assist its customers in the Greater Kansas City area.

Trusted by residents of Missouri and Kansas, Northland Dumpsters has been meeting the dumpster rental needs of local customers for years with remarkable results. As a family-owned and operated business, it takes pride in working with business owners, contractors, residents, school administrators, property managers, and others to manage the mess of waste disposal. Now, with a recent push to gain even more traction in its service area, the company has greatly streamlined its online presence and made it reflect the modern expectations of consumers today.

?The newly updated website contains all the information about Northland Dumpsters you will ever need,? says the spokesperson for the company. ?Starting with the landing page where you can find out more about

our services, dumpster rentals, and contact information to our About Us page where you can learn more about the people who have built Northland Dumpsters into the preferred dumpster services provider for customers in the Kansas City area. Most importantly, you can also make instant appointments with our upgraded online reservation system that allows you to book your ideal dumpster whenever you want it, wherever you are. Visit our website to browse through the new features and book your dumpster today.?

The company?s online reservation system displays the entire selection of its dumpsters for rent. Customers can choose between a 14-yard dumpster, 20-yard dumpster, and 30-yard dumpster based on their rental needs. More information about the dumpster rentals such as dimensions, days included in the base rental price, tonnage, starting price, and more are readily viewable. Following the selection, customers can simply select whether the rental is for contractors or residential purchases, choose a pick-up and drop-off date, and proceed to pay for their purchase. All orders require a credit card deposit and payment in full once the dumpster rentals are received.

Northland Dumpsters has been repeatedly praised by its customers in Missouri and Kansas for always delivering a top-notch dumpster rental service with stellar customer support. It boasts a flawless overall rating of 5.0 out of 5.0 on its Google Business Profile from over 130 reviews with customers noting the cleanliness and sturdiness of the company?s dumpsters, the responsive office staff that is available to answer all questions big and small, and the professionalism of the delivery crew.

A recent review says, ?I have used the services of Northland dumpsters three times now. They are always on time, they always place the dumpster exactly where we requested it to be put and they have great customer service. They're very good about texting and letting you know if any changes are going to happen and you can ask them any questions and they're quick to respond. I would recommend them to anybody who needs a dumpster service.?

Another customer writes, ?Dylan Cayce is the best overall professional I have dealt with. He made my experience easy fast and pain-free. I highly recommend his dumpster company for any kind of job, small or big. He delivered on time and we were loading up 5 minutes after he left. Make a New Year?s resolution to get rid of all your junk and give Dylan a call. It will be your best resolution for the new year. Rates are fantastic also. I am excited to use his company again.?

In Missouri, Northland Dumpsters serves Lee?s Summit, Kansas City, MO, Gladstone, Parkville, Liberty, Platte City, Independence, Raytown, Kearney, and Smithville. On the Kansas side, the company serves Kansas City, KS, Shawnee, Overland Park, Olathe, and all areas in between. If the customer?s project site is beyond that radius, the company can still deliver farther out with a nominal fee added based on the distance.

Readers are urged to find out more about Northland Dumpsters by visiting its revamped website or contacting the company at (816) 588-7819 for an instant quote.
