*December 05, 2023*

December 05, 2023 -
Wellness Counseling, with locations in Ramsey, Hoboken, and Montclair, New Jersey, has embarked on a compassionate initiative to spread joy and support within the community. Demonstrating their commitment to philanthropy, the counseling centers are currently engaged in collecting toys for donation to children in the Paterson and Newark areas as part of the Bergen's Promise Annual Toy Drive.

The endeavor aims to make a meaningful impact on the lives of children during the holiday season by providing them with the delight of receiving thoughtfully chosen gifts. Wellness Counseling recognizes the significance of community engagement and endeavors to contribute positively to the welfare of those in need.

Scheduled for distribution during the week of Christmas, the collected toys will bring smiles to the faces of children in the Paterson and Newark areas, creating a sense of warmth and holiday cheer for all. The counseling centers acknowledge the importance of building a supportive and nurturing environment, especially during festive times, and seek to make a difference in the lives of the youth within their reach.

Moreover, Wellness Counseling has taken an additional step by actively participating in the Bergen?s Promise Organization's initiatives. The counseling centers have purchased a multitude of gifts specifically for Bergen's Promise Youth, underscoring their dedication to supporting the organization's mission. This involvement reflects the company's belief in the power of collective efforts to bring about positive change in the lives of young individuals.

The success of this philanthropic endeavor is attributed to the collaborative efforts of the entire Wellness Counseling community. Both staff members and clients alike have generously contributed to the cause, exemplifying a shared commitment to making a meaningful impact on the lives of others. This united front demonstrates the organization's belief in the strength of community-driven initiatives and its dedication to fostering a spirit of giving.

As Wellness Counseling continues to evolve as a pillar of support and compassion in the communities it

serves, these charitable endeavors stand as a testament to the organization's values. By participating in the Bergen's Promise Annual Toy Drive and actively contributing to the Bergen?s Promise Organization, Wellness Counseling exemplifies its dedication to the well-being and happiness of the broader community, embodying the true spirit of the holiday season.
