Local Pest Solutions Expands Pest Control Service Area to Include Vacaville, California

December 12, 2023

Lodi, California - December 12, 2023 -
Local Pest Solutions, a leading provider of pest control services in the greater Sacramento area, is pleased to announce the expansion of its service area to include Vacaville, California. With this expansion, homeowners and business owners in Vacaville can now benefit from the company's high-quality pest control services.

Local Pest Solutions offers various services, including pest inspections, removal, control, and prevention for pests, such as ants, spiders, cockroaches, and wasps. Additional services include bed bug control to eliminate these biting insects and rodent control, typically to eliminate rats and mice.

"We are excited to expand our service area to include Vacaville and provide residents and businesses with our high-quality pest control services," said Mr. David Wimpey, owner of Local Pest Solutions. "Our team of experts is committed to ensuring that our customers receive the best service and experience possible."

Local Pest Solutions' technicians are trained and certified to handle various pest control issues. They use the latest techniques and equipment to provide effective and safe pest control solutions. The company also offers eco-friendly and pet-safe pest control options.

The company employs integrated pest management (IPM), a strategic approach that uses various methods, techniques, and treatments to control pests. By employing prevention and exclusion approaches, they can manage pests effectively without relying heavily on chemical treatments. IPM practices include sealing gaps in the walls and the foundation to prevent the entry of pests, such as spiders and ants. Installing screens on doors and windows may also help block flying insects' entry. They may also recommend proper sanitation to minimize the possibility of pest infestations.

Local Pest Solutions is a family-owned and operated pest control company that has been offering its services to residents of Sacramento and adjacent areas since 2021. Their team of pest control specialists has been in the industry for over 15 years. Pest inspections are always free.

Those who want to know more or request a free inspection visit the Local Pest Solutions website or contact them by telephone or email.
