Lodi, California - December 22, 2023 - PRESSADVANTAGE -

Local Pest Solutions, a family-owned business that provides top-notch pest control services in the greater Sacramento area, is pleased to announce its expansion into Folsom, California. The company is renowned for its exceptional pest control solutions that cater to the specific needs of homes and businesses in and around Folsom.

Local Pest Solutions prides itself on providing customers with excellent pest control services, and this expansion will allow Folsom residents and businesses to benefit from its certified technicians' expertise. Equipped with the latest techniques and equipment, the Local Pest Solutions team can handle various pest control issues, including ants, rodents, and more.

"We are excited to expand our service area to include Folsom and provide residents and businesses with our high-quality pest control services," said Mr. David Wimpey, owner and CEO of Local Pest Solutions. "Our team of experienced technicians is committed to ensuring that our customers receive the best service and experience possible."

The company offers various services, including pest inspections, removal, and prevention. Following the Integrated Pest Management methodology, this pest control outfit removes pest infestations and prevents their return. The company provides eco-friendly and pet-safe pest control options to eliminate pests. Residential and commercial pest control services in Folsom include the following:

- General Pest Control
- Ant Control
- Spider Control
- Flea and Tick Control
- Wasp and Hornet Control
- Cockroach Control
- Rodent Control Services
- Bed Bug Treatment Services

Local Pest Solutions' mission is to provide safe and effective pest control services to protect its customers' homes, businesses, and loved ones.
