

Web Design Chicago Company Offers Free 21-Point SEO Audit Plus 30-Minutes Digital Consulting

January 30, 2024

Chicago, Illinois - January 30, 2024 - PRESSADVANTAGE -

Chicago Website Design SEO Company (CWDSC), a company based in Chicago, IL, is pleased to announce they are offering a free 21-point SEO audit report plus 30 minutes of digital consulting. After around 1,000 websites built, the CWDSC team is well-experienced on what it would take to develop a website that would not only impress site visitors but also convert them into paying customers. To take advantage of the free report and consultation, those interested can simply fill out an online form on their website or contact them on the phone.

CWDSC CEO Jack Lombardi says, "The most important key to building a lead generating website is putting SEO as a forethought, not an afterthought. Our systematic approach begins with keyword research to get your business in front of people searching Google for the services or products you provide. All of our web designs follow Google best practices and incorporate white hat tactics keeping your website safe from Google penalties."

Their web design services include: logo creation, email services, on-page SEO, call tracking, mobile responsive design, and high converting content. They want to point out that CWDSC has proven itself to be the best in SEO, having succeeded where competing service providers didn't. They want to emphasize a number of benefits for clients. First, it will be easier for them to get found online. This is because search results will point directly to the business when people are searching for product or service they are offering.

Second, there will be no more guessing for clients because they can be sure that they will benefit from the support and experience of a seasoned team on their side at every step of the way. Third, clients will get real-time metrics, which means they get to know in real-time what is going on. CWDSC will monitor everything and clients will have unlimited access to all of the metrics such as traffic, listen to calls clicks, and cost-per-acquisition (CPA). Fourth, clients can expect a boost in sales as a result of the power of the search engines directing people to their website.

Fifth, clients will get monthly email reports on the current status of their website with regards to the search engines and on Google Maps. Progress reports will be provided after seven days, 14 days, and 30 days, every month. Sixth, CWDSC assures clients about accessibility through email and mobile phones. Seventh, in addition to world-class SEO services, they will also provide a high conversion web design, reputation management, and hosting solutions. Eighth, clients don't have to worry about lengthy contracts. Lastly, with over 45 years of combined experience, clients are assured they have a solid team supporting them.

Jack Lombardi says, "It is by no accident you are currently on our website, this was the result of great local SEO marketing. Some might say, SEO related keywords are some of the most competitive. With that said, ranking higher than other SEO companies for SEO keywords in Chicago should prove you're in good hands with CWDSC. You would agree our rankings for Chicago SEO keywords are a good indicator of our skill set."

Launched in 2008 by Jack Lombardi, CWDSC has developed the reputation as a leading digital marketing agency in Chicago and other major cities in the US. It has branches in seven other key cities and provides digital marketing services to 76 other locations. The company has a team of full-time SEO professionals with each one having a specific expertise. Their focus is to boost sales through SEO and a high conversion web design. Their services are 90 percent hands-off, which means clients only need to concern themselves with 10 percent and they can devote their time to running their business without having to worry so much about online marketing.

When interested in services for web design Chicago businesses can visit the Chicago Website Design SEO Company website or contact them through the telephone or by email.
