

Clean Cut ROOFING

Roofing Services Provider in Sanpete County Explains Benefits of Asphalt Shingle Roofing

December 26, 2023

December 26, 2023 - PRESSADVANTAGE -

Clean Cut Roofing & Siding, a company based in Mount Pleasant, Utah, has explained the benefits of asphalt shingle roofing in a new blog post. The roofing company Sanpete County residents can trust wants to emphasize that ensuring the asphalt shingle roof is in the best condition is key. There are a lot of benefits to be enjoyed with asphalt shingle roofing and the top benefit is its relatively lower cost compared to other roofing materials.

Vern Akuola, owner of Clean Cut Roofing & Siding, says, ?Far and away the most affordable roofing material you could choose to protect your home and your property with, you won?t ever have to worry about spending a small fortune on shingle roofs ? even if you have a larger roof to repair or replace. On top of that, asphalt shingles are incredibly versatile and highly durable. When installed correctly (by experts like ours here at Clean Cut Roofing ? one of the premier companies offering asphalt shingle roofing in Sanpete County ? you can expect anywhere between 30 years and 50 years of life out of these shingles.?

Another important advantage of asphalt shingles is the possibility of mixing and matching different colors, designs, and styles. The roofing specialists at Clean Cut Roofing & Siding can help property owners

choose the most suitable asphalt shingles for their specific needs, ensuring that the property is adequately protected while also adding a lot of visual appeal for the home.

According to construction industry data in Utah, homeowners can expect to pay between six to 12 dollars per square foot of asphalt shingles when repairing or replacing a roof. When labor costs and other project fees are added, the average roof replacement cost will range between \$10,000 and \$18,000. This means that the average cost of replacing a roof in Utah is substantially less than the national average of \$20,000 to \$44,000.

Vern Akaula, owner of the roofing company Mount Pleasant homeowners can depend on, says, ?At the end of the day, if you?d like the help of professionals that know exactly how to restore your roof back to better than brand-new condition with high quality asphalt shingles ? all without having to spend a mountain of money on the project along the way ? we here at Clean Cut Roofing can help. We have more than 25 years of experience with roofing and siding construction projects, provide a full range of roof repair and replacement services, and are fully licensed and insured to tackle these kinds of projects for you.?

The work provided by Clean Cut Roofing & Siding includes full warranties from the manufacturer for a complete re-roofing project. This provides homeowners peace of mind in the knowledge that their home is adequately protected for the many years to come. They are also able to provide financing options for roofing projects. Those who are interested can schedule a 100 percent free and no obligation estimate.
