The company boasts a stellar overall rating of 4.7 out of 5.0 from over 600 reviews on its Google Business Profile with customers praising its well-maintained vehicles, simple rental process, affordable pricing structure, and responsive customer service.

A recent review says, ?Well-maintained car (love the Toyota we hired!), great efficient service. Joseph was very detailed in his explanations and very kind to allow a 2-hour extension of our drop-off time. Easy pick-up at Burswood and easy drop-off. Efficient and fast in responding to queries and refunding the deposit. Highly recommended. Thank you, Joseph, and all staff at Burswood!?

Another customer writes, ?Most excellent car rental company. Was attended to by Trisha when I was making my pre-trip preparations, and she was most helpful and patient in answering all my queries. On the day I collected my car, everything was done fast and smoothly and a female staff (apologies for not asking for your name) was most helpful in helping me familiarize myself with the functions of the car. Lastly, dropping off the car at the airport was a breeze. I would strongly recommend them to anyone who's looking to rent a car when they're in Perth.?

Customers need to be at least 19 years of age, possess an unexpired driver?s license, and have a credit card to book a vehicle with Burswood Car Rentals.
