The quality of their services is attested to by the many five star reviews they have been receiving from customers. They currently have an overall rating of 5.0 out of 5 stars on Google. In one five-star review of Piedmont Paint & Finish, Martha J. said, ?Piedmont Paint saved our house and treated us just like family - we can't thank them enough! We needed our 200 year old home lead paint abated. Definitely a messy, overwhelming, and time-sensitive situation as the entire 4,000 sq ft home needed to be painted inside and out. We were turned down by all local lead certified contractors in our area due to the scope of the work. Piedmont Paint very graciously agreed to ?save us? and did so with the highest professionalism and skill. Our entire home was painted by an onsite crew working round the clock. They finished the entire project in just 16 days - absolutely amazing! They finished on budget, earlier than expected, and the work product is even better than we could have imagined. The home looks absolutely beautiful, and we can't thank them enough for taking the care to clean the home after finishing, making it safe for our young family. Also, a huge shout out to Shaun for answering my many many questions (and calming my nerves) - historic home restoration is very new and unknown to us. We enthusiastically recommend Piedmont Paint! If they can handle our super messy situation, they can turn any project (no matter the scope or mess) into gold. Thank you, thank you, thank you.?
