

# Tailored Manufacturing Insurance Across Multiple States Available With The Allen Thomas Group

*January 18, 2024*

Akron, Ohio - January 18, 2024 -
The Allen Thomas Group, based out of Akron, Ohio, is proud to bring its specialized insurance programs to manufacturers in various states across the country. These programs are part of a strategic initiative to provide manufacturers with custom-tailored insurance solutions to address the unique challenges and risks that are part of this type of industry.

As a leading insurance agency. The Allen Thomas Group has been providing customized insurance options to individuals and businesses for nearly two decades. They offer a wide range of options for personal and business insurance.

Joe Race, founder of The Allen Thomas Group, says, ?Manufacturers can face many challenges, especially if they are operating across multiple state lines. Having reliable insurance can help a great deal when you have to contend with so many moving parts, and The Allen Thomas Group is committed to providing our nation?s manufacturers with bespoke insurance solutions that are not only tailored to their industry but also adaptable

to the diverse regulatory environments they navigate regularly.?

This strategic initiative is designed to give manufacturers the support they need to address their industry's unique challenges and risks. As the firm explains, manufacturers face a myriad of risks, from equipment breakdowns and supply chain disruptions to environmental hazards and workplace injuries, and The Allen Thomas Group recognizes the importance of comprehensive and customized insurance coverage. By leveraging its years of expertise and industry knowledge, the firm is now equipped to deliver tailored insurance solutions designed to meet the specific needs of manufacturers operating in multiple states.

The Allen Thomas Group provides its manufacturing insurance services to a wide range of businesses, from appliance and accessories manufacturing to medical device manufacturing and everything in between. Their insurance offerings are meticulously designed to counter the distinct risks each kind of manufacturer faces, including property damage, product liability, business interruption, and equipment breakdown.

The team already has extensive experience working in diverse regulatory landscapes, and as such, they are able to ensure that their insurance solutions comply with local regulations. This guarantees manufacturers seamless coverage regardless of their locations. They also collaborate closely with manufacturers to identify and mitigate any potential risks that are unique to their operations. This proactive approach aims to enhance risk management and reduce the likelihood of disruptions.

Race says, ?No two manufacturers are alike; we know that. If you are manufacturing clothing, you are facing different challenges than you would face if you were manufacturing industrial machines. This is why our insurance policies are customizable to a specific degree. Our team will help you tailor your coverage to align with your particular needs, and you will be furnished with a comprehensive and cost-effective risk management strategy. You will be able to rely on our team to help you sort out any particular issue that might arise during the process.?

The Allen Thomas Group?s commitment to understanding their community?s unique needs (and their provision of comprehensive insurance solutions) have earned them great praise from their clients. Brian C. in a review, ?Gwen was amazing to work with. Gwen was very responsive, efficient, knowledgeable with recommendations, and best of all, saved us a few hundred dollars. Gwen took care of everything from start to finish, setting up new policies and canceling previous policies. A fantastic experience all around!?

In another review, Joseph K. writes, ?I spoke to several other insurance agencies before going with The Allen Thomas Group. I had so much trouble getting other companies to take the time to understand what we do at my business. Joe at The Allen Thomas Group took the time to listen thoroughly about what we do and what options we have as a startup business. I highly recommend giving them a call and see how they can help.?

Businesses who want to learn more about The Allen Thomas Group?s customized insurance offerings can visit the firm?s website for a more comprehensive breakdown of all the services on offer. Joe Race encourages clients to contact his office or team directly for any additional questions or concerns. "description": "The Allen Thomas Group (ATG) is an Akron-based insurance agency that has been providing customized insurance options to both individuals and businesses for nearly two decades. The agency was established in 2003 by Joe Race, a University of Akron graduate who began his career as an investment advisor in the 90s. After seeing that his clients needed help protecting their investments, Mr. Race decided to venture into the insurance industry. Initially, ATG offered solutions to help individual and corporate clients meet their insurance and safety objectives. However, they soon realized that the captive insurance market was not meeting the unique needs of their clients. To address this issue, they developed a smart and easy process to offer insurance that was tailored to their specific needs. One of the biggest challenges faced by clients was the lengthy and complex process of getting quotes from multiple insurance carriers. To ease this burden, ATG developed a streamlined process to take care of this task for their clients. In 2008, ATG began offering customized insurance options sourced from multiple carriers. This allowed them to find the right insurance coverage from the right carrier, at the best price. Clients no longer have to worry about paying too much for insurance or sacrificing their coverage for better rates. ATG offers a wide range of insurance options, including personal and business insurance. For businesses, they offer policies that protect the most valuable assets of a company, including liability, errors and omissions, commercial auto insurance, and business insurance. At ATG, their concierge level of service and commitment to their clients has made them known as the smart and easy way to buy insurance.
