At the last moment I found out my job was transferring me out of state. Tamia provided me with such an awesome experience that I referred two of my friends to Signal. They applied and moved in. Their experience dealing with Tamia was just as good according to them. If I ever move back to Georgia I'm leasing with Tamia."

Chelsy S. was also impressed with Signal Apartments Hapeville and also gave them a five star rating. She said, "Best place to live, work, and laugh. Very clean and well managed. Tamia is so great to work with! Very friendly and thoughtful. Although, I had a short lease - I had friends visit the Porsche experience across the street a couple of times, there is great entertainment and food in the area as well. Accessible to 85 which was a major plus to get downtown. I enjoyed my experience."
