The photographs by Madelyn Jane Photography are masterpieces in themselves. The finish and the quality of prints amazingly reflect the hard work of the photographer. The photographs of children have been put up on the walls of the obstetrics wing of hospitals. Child Photography is one of Nikki's, the owner of Madelyn Jane Photography, passions. Madelyn Jane Photography

To me, photography stops time. It gives us the gift of remembrance. Those moments in life that we forget because our busy lives got in the way. I believe one of the best things we can pass on to our families is our life story in pictures.
