Distinguished Optometrist Dr. Boi-Dieu Nguyen Joins Brooks Eye Associates

January 29, 2024

PLANO, TX - January 29, 2024 -
Plano, TX, 1/29/2024 ? In a significant move for the practice, Brooks Eye Associates proudly announces Dr. Boi-Dieu Nguyen, a distinguished therapeutic optometrist and optometric glaucoma specialist, has officially joined the team. With her extensive experience and patient-centric focus, Dr. Nguyen is set to elevate the level of eye care services offered at the practice, which is known for its commitment to excellence in the Dallas-Fort Worth metroplex.

Dr. Nguyen's journey in optometry is marked by her dedication to the field. She earned her undergraduate degree at Baylor University, and then her pursuit of optometry led her to the University of Incarnate Word Rosenberg School of Optometry, where she achieved her Doctor of Optometry. Furthering her expertise, Dr. Nguyen acquired National Board Certification from the National Board of Examiners in Optometry and Texas Optometry Board Certification, along with a therapeutic optometrist certification.

?I am incredibly excited to join the team at Brooks Eye Associates,? said Dr. Nguyen. ?Their commitment to providing top-notch eye care aligns perfectly with my passion for enhancing patient vision and overall eye health. I look forward to serving our patients and making a positive impact in their lives.?

Dr. Nguyen's multifaceted approach to optometry, combining clinical expertise with a strong focus on patient education, aligns seamlessly with Brooks Eye Associates' mission to offer personalized vision solutions. Her addition to the team is yet another indicator of the practice?s ongoing dedication to excellence in eye care.

Her experience spans various aspects of optometry, with a particular interest in refractive surgery options, glasses, contact lenses, and prisms. Dr. Nguyen is not only skilled in clinical practices but also takes a keen interest in the community and volunteer work. She has been actively involved with the Texas Optometric Association (TOA) and has participated in medical mission trips, demonstrating her commitment to providing eye care to those in need.

Dr. Nguyen's said her decision to join Brooks Eye Associates stems from her admiration for their innovative

approach and the positive clinic culture.

?What attracted me to Brooks Eye Associates was their forward-thinking mindset and the positive feedback I consistently heard about the clinic,? she said. ?Their dedication to staying at the forefront of eye care technology and treatment options is inspiring, and I am eager to contribute to this dynamic environment.?

Brooks Eye Associates is a premier medical eye care and eye surgery practice in the Dallas-Fort Worth metroplex. The practice boasts an on-site surgery center, a rarity in ocular and refractive surgeries, and features a team of the most experienced surgeons with diverse specialties in the region. At Brooks Eye Associates, patients receive comprehensive care, from advanced diagnostics to innovative treatments, all tailored to their individual needs.

The practice is known for its cutting-edge technology and for offering a wide range of services, including cataract surgery, refractive surgeries, and oculoplastic procedures. The team's expertise in various aspects of eye care, combined with their commitment to personalized patient care, makes Brooks Eye Associates a preferred choice for those seeking quality eye care.

Brooks Eye Associates continues to lead in the field of ophthalmology, providing patients with the latest in eye care technology and treatment options.
