February 08, 2024 - PRESSADVANTAGE -

Built as a state-of-the-art resort with modern medical amenities and staff, Oakmonte Village enables residents to spend their golden years in luxurious comfort ? no matter what their needs may be.

February 6, 2024 ? Lake Mary, Florida ? Florida based Oakmonte Village of Lake Mary is inviting seniors from across the state and beyond to consider their assisted living facility upon retirement.

According to a representative from the luxury assisted living residences, ?Prospects might confuse the facilities here at Oakmonte with other resorts of this caliber, but Oakmonte Village is unique. While guests? expectations are met and exceeded, Oakmonte?s strength lies in catering to residents? special needs as seniors. Oakmonte Village can make guests feel like royalty, while providing appropriate safeguards during every stage of a resident?s stay.?

In fact, many residents report considering Oakmonte Village their ?vacation home-away-from-home.?

The Assisted Living program may be of particular interest to individuals who wish to retain a degree of independence without caregivers being present any more than necessary. Respect for personal growth and exploration is of utmost importance at Oakmonte Village, and every senior in the Assisted Living program is afforded the opportunity to live the life they desire.

Residents who participate in Oakmonte Village's numerous amenities appreciate that most focus specifically on the physical and mental well-being of seniors. The goal is to support seniors' ability to maintain healthy lifestyles with only moderate involvement from caregivers, and each senior's care is personalized to his or her individual needs. The plan for this custom care is developed at the beginning of a resident's stay, and the Oakmonte Village team make it a point to perform new assessments at appropriate intervals. As a resident's needs evolve, so too does their care program.

Mundane tasks, such as tracking medications, attending appointments, and performing certain personal activities are assisted or handled by the staff.

Freed from these concerns, seniors can commit themselves entirely to enjoying the pleasures and superior amenities Oakmonte Village has to offer. For instance, the food service team is renowned for the culinary delights they create. In fact, the delicious and nutritious meals served at Oakmonte Village receive praise from residents and visitors alike.

At Oakmonte Village additional activities designed specifically for seniors are constantly being introduced. Instructors may conduct classes on improving the body's range of motion and flexibility, while other classes focus on mindfulness and establishing a powerful sense of inner peace. Many of the residents enjoy the luxury of massage therapy on a regular basis, and the wonders it works on the body.

Those with musical talents have every chance to practice, privately, or as part of a larger group or event. Oakmonte Village gives residents the opportunity to participate in a full range of activities from bowling and card playing to learning how to paint, watching the latest movies, and pursuing individual hobbies. Residents who prefer to use their time to develop entirely new skills or interests will find opportunities for that as well.

Interested parties are invited to learn more about Oakmonte Village before making any final decisions. Whether visitors opt for a virtual or in-person tour, they will discover exceptional services, amenities, and décor. As far as convenience, Oakmonte Village is located just off the I-4 corridor at Lake Mary Boulevard, which places it nearby medical offices, several retail centers, and other commercial services.
