A spokesperson for Rightnow Products Limited, Eric Arnow, says: "We are dedicated to sincerity, quality and doing well by putting the customer first. The fact that we have received consistent 5 star reviews over the past year, and particularly in December, shows that we are achieving this mission and that we respond to any suggestions for improvement. We're looking forward to continuing this fantastic relationship with our customers over 2016."

Rightnow Products Limited is committed to providing each customer with the highest standard of customer service. Their reviews truly do speak for themselves. People have regularly thanked them for their excellent service and have mentioned that they are always 100% satisfied. They also mention the quick delivery and quality packaging, which keeps the products completely safe in transit. Most importantly, customers have also mentioned that the product is incredibly effective. "The brace is well designed and comfortable," says Pamela S. "It stabilizes my knee while my lax tendon is healing." Further reviews can be found through <http://www.amazon.com/dp/B016WQW7A6>.

The company has also launched its own website on [www.for-knees.com](http://www.for-knees.com). This website provides details on various knee conditions and how their knee brace can help with these. Furthermore, it provides useful hints and tips on how to properly use a knee brace. They frequently release new information on their website, such as information on how to choose a knee brace and what other solutions are out there.

The company is looking forward to another year of fantastic relationships with their customers, providing them with excellent service every step of the way.
