GRAND PRARIE, TEXAS - Delta Janitorial Systems has proven itself as a stalwart in the commercial cleaning and janitorial services industry, boasting a remarkable legacy spanning over five decades. Established in 1972, the company's beginnings trace back to the unwavering determination of its founder, a 20-year-old high school dropout with a family to provide for. Originating as a window cleaning venture, the founder's tenacity and entrepreneurial spirit quickly transformed the business landscape. Faced with the unpredictable nature of Texas weather affecting window cleaning services, Delta Janitorial Systems strategically pivoted towards janitorial services, recognizing the inherent stability of indoor cleaning.

At the heart of Delta Janitorial Systems' operations is the SMART Office Cleaning System, a meticulously crafted approach that stands for Systematized, Managed, Accountable, Responsive, and Technological. This proprietary system integrates high-tech tools, products, and processes to deliver unparalleled results with remarkable efficiency, setting Delta apart from conventional janitorial services that offer subpar cleaning services.

Boasting 50 years of experience, Delta's founder, now a seasoned industry expert, attests to the transformative power of the janitorial business.
