February 12, 2024 -
Anaheim, California - The Lighthouse Treatment Center, a leading drug and alcohol addiction recovery facility located in Anaheim, California, is excited to announce the appointment of Gilbert Carmona as its new Clinical Supervisor. With a career spanning over three decades, Carmona brings extensive experience in behavioral health management to the team.

In his new role as the Clinical Supervisor, Gilbert Carmona will play a pivotal role in guiding and overseeing the clinical direction of not only the Lighthouse Treatment Center but also the Anaheim Lighthouse and Lighthouse Mental Health facilities. With his profound expertise and deep understanding of substance abuse and mental health challenges, he will be instrumental in advancing and enhancing treatment programs for adults who are struggling.

"I am truly honored to have the opportunity to join the exceptional team at the Lighthouse Treatment Center as the Clinical Supervisor. My passion, purpose, and lifework have been and will continue to be to help marginalized populations such as those afflicted with the disease of drug addiction and mental illness find their place, speak their voice, and master their specialized needs to reenter and engage in their home

community living as independently as possible. Joining the Lighthouse team allows me to continue this mission and serve in the community as well," said Carmona.

Gilbert Carmona has an impressive background in the behavioral health sector. His past roles have ranged from providing direct service to overseeing administration and staff training to designing and implementing new products and programs. This breadth of experience positions him well to lead and enhance the clinical services at the Lighthouse facilities.

The leadership team at the Lighthouse Treatment Center is enthusiastic about Carmona's new role and its potential impact on patient outcomes and the future of the treatment facilities.

"Having known Gilbert through other engagements and witnessing his exceptional leadership qualities, I am absolutely thrilled about the direction that the Lighthouse Treatment Center is headed with him at the helm of the Clinical department. With Gilbert's remarkable background and unwavering commitment to excellence, I have complete confidence that he will guide the Clinical team towards even greater success in delivering top-notch care and transformative treatment programs. This exciting development marks a significant milestone for the Lighthouse facilities as we continue our mission to provide unparalleled support and healing to those in need," stated Peter Davidson, President and Chief Operating Officer of the Lighthouse Treatment Center.

Timothy Salyer, Chief Executive Officer, echoed this sentiment, welcoming Carmona to the team and expressing his confidence in his abilities to drive positive change at Lighthouse.

"We are thrilled to welcome Gilbert as a valued addition to our exceptional team. With his extensive and diverse experience in the field, we firmly believe that his invaluable contributions will undoubtedly elevate and enhance our already outstanding clinical standards and service offerings, solidifying our position as a leader in the industry. We look forward to the positive impact he will make as we continue to strive for excellence and exceed expectations in providing unrivaled care and support to our clients and patients," said Salyer.

The Lighthouse Treatment Center is dedicated to providing comprehensive and compassionate care to individuals struggling with addiction, mental health issues, and co-occurring disorders. Under Carmona?s leadership, the Clinical department will continue to uphold these values and remain at the forefront of innovative treatment approaches and evidence-based practices.
