About the National Black Business Pitch (NBBP)

The National Black Business Pitch is an annual competition that provides a platform for Black entrepreneurs to showcase their innovative business ideas, gain exposure, and access funding and mentorship opportunities. The competition aims to promote diversity and inclusion in entrepreneurship, celebrating the creativity and economic contributions of Black-owned businesses.

Through the National Black Business Pitch they are seeking to do more than provide a seat at the table, but to open doors and build relationships that can lead to long-term and sustainable contracts. Their ultimate goal is to create a Black business network that corporations can access and do business with.
