

Xtreme Exteriors Shawnee, KS: Revolutionizing Home Renovations with Innovative Exterior Contractor Services

February 21, 2024

SHAWNEE, KS - February 21, 2024 - PRESSADVANTAGE -

Xtreme Exteriors, a leading siding company in Kansas City, has recently unveiled its comprehensively revamped website. The redesigned website is intended to significantly improve the user experience, boasting a modern and user-friendly interface. Now, customers and potential clients can efficiently navigate and explore Xtreme Exteriors' wide range of services. These offerings include siding installation and replacement, roof repairs and replacement, deck builds and resurfacing, along with window and door replacement.

One notable feature of the new site is the innovative design visualizer. This groundbreaking tool allows homeowners to upload images of their property, and experiment with various materials and colors. The result is an entirely customized and interactive experience.

Hunter Lampe, the Owner of Xtreme Exteriors, expressed his excitement, saying, "We believe that the new website accurately reflects the caliber of work that Xtreme Exteriors is renowned for. With the design

visualizer now in place, customers can play with colors, materials, and looks on a photo of their property. It allows homeowners to explore and visualize, guiding them to make the best decision to enhance their property's exterior."

The website also features a detailed introduction to Xtreme Exteriors' expert team in every market they serve. The company prides itself on its reputation as the #1 James Hardie installer in the Midwest, a credit largely attributable to their experienced team. Furthermore, the site offers access to a wide collection of materials that Xtreme Exteriors uses.

Further discussing the new website, Lampe said, "The launch of our new site communicates to our customers and potential clients our commitment to provide a seamless customer experience. We are not just an exterior contractor; we are a siding company in Kansas City that prioritizes addressing our client's needs, including providing a comprehensive digital platform."

The redesigned website underscores Xtreme Exteriors' core values of delivering superior quality services and fostering positive customer experiences. The updated digital platform represents a step forward in the company's mission, as it provides valuable information about their services to homeowners. This reinforces the company's status as industry leaders.

The launch of the updated Xtreme Exteriors' website offers another chance to experience the high-quality service that has distinguished them as one of the top siding contractors in the Midwest. Customers and the general public are encouraged to explore the new website and take advantage of the interactive design tool to envision possible transformations for their home exteriors.

Xtreme Exteriors, based in Shawnee, Kansas City, offers a variety of services such as siding installation, roof repair, deck building and resurfacing, window and door replacement, and more. The company, with its 23 years of industry experience, superior materials, certified expertise, and a focus on customer satisfaction, has built a solid reputation. As the #1 James Hardie installer in the Midwest, they are known for providing durable exterior solutions. Furthermore, they emphasize their dedication to customer satisfaction by offering a lifetime labor warranty on all new installations.
