February 20, 2024 -
Phoenix, AZ ? Alpha Therapeutics LLC, a pioneering company in the CBD industry, is thrilled to announce the launch of its new line of CBD products, expertly formulated by medical professionals. This innovative range, including the highly anticipated 2,000 mg CBD pain stick, CBD topicals, and extra strength CBD oil, is set to redefine the standards of quality and efficacy in CBD wellness solutions.

Alpha Therapeutics LLC, based in the serene Paradise Valley, Arizona, is dedicated to harnessing the therapeutic potentials of CBD. Under the guidance of Geoff Dada, the owner and visionary behind the brand, the company has meticulously developed products that meet the highest standards of purity, potency, and safety.

?Our mission at Alpha Therapeutics is to offer our customers products that not only meet but exceed their expectations in terms of quality and effectiveness. We believe in the power of CBD to improve lives, and our products are the result of extensive research and collaboration with healthcare professionals,? said Geoff Dada. ?Each product, from our 2,000 mg CBD pain stick to our extra strength CBD oil, has been crafted with care and precision to ensure maximum benefits for our users.?

The cornerstone of Alpha Therapeutics LLC?s product line is the 2,000 mg CBD pain stick, designed to offer targeted relief from aches and pains. This potent formulation is a testament to the company?s commitment to providing powerful, natural solutions for pain management.

In addition to the pain stick, Alpha Therapeutics LLC is proud to introduce its range of CBD topicals. These products are formulated to meet the needs of individuals seeking skin-friendly CBD applications that offer both therapeutic and cosmetic benefits. The topicals are crafted with the finest ingredients, ensuring they are gentle yet effective for all skin types.

Rounding out the new offerings is the extra strength CBD oil, a premium product designed for those seeking a more potent dose of CBD. ?Our extra strength CBD oil is for those who require a higher concentration of CBD to address their health and wellness needs. It represents our commitment to providing diverse solutions that cater to the unique preferences and requirements of our customers,? Geoff Dada explained.

Alpha Therapeutics?s products, including their CBD products formulated by doctors, ensure that every batch meets the highest standards of medical efficacy and safety. The emphasis on doctor-formulated products underscores the company's commitment to bridging the gap between traditional medicine and natural wellness solutions. By leveraging the expertise of healthcare professionals in the formulation process, Alpha Therapeutics LLC guarantees that its offerings are not only safe but also optimized for therapeutic effectiveness. The company utilizes only the finest hemp, sourced from reputable growers, and employs rigorous testing procedures to guarantee the purity and potency of its CBD. This meticulous approach to product development and quality control ensures that customers receive the most reliable and effective CBD products on the market, backed by the assurance of medical professional formulation and oversight.

?We understand the importance of trust when it comes to wellness products. That?s why our CBD products are not only doctor-formulated but also transparently tested. We want our customers to feel confident in their choice to trust Alpha Therapeutics with their CBD needs,? added Dada.

Alpha Therapeutics LLC is poised to become a leader in the CBD market, with its commitment to quality, innovation, and customer satisfaction. The launch of its new product line is just the beginning of the company?s journey to redefine the landscape of CBD wellness solutions.
