Elite Dental Announces Exciting Expansion of Dental Implant Services in San Antonio Area

March 04, 2024

March 04, 2024 -
Elite Dental is thrilled to announce the expansion of its dental implants service, benefiting individuals in San Antonio, Pleasanton, and New Braunfels by promoting healthier smiles and improving oral wellness. This esteemed dental practice, led by the respected Dr. Mohan Raj Jaganathan, is recognized as a trusted dentist in San Antonio, TX. With his team of dental professionals, Elite Dental is devoted to restoring the confidence and smiles of its patients through their top-notch oral care procedures.

The demand for dental implants, an essential component of Elite Dental's restorative services, has noticeably increased in recent years. Dental implants offer a sustainable solution for those dealing with failing or missing teeth, as well as chronic dental issues. This practice goes the extra mile by ensuring their dental implant procedures are precise and accurate, aided by their cutting-edge technology, including 3D X-rays and planning.

A passionate Dr. Jaganathan shared his zest about the expanded dental implant service, stating, ?At Elite Dental, we're driven to offer wide-ranging treatment plans that fulfill all our patients' dental needs. Our particular emphasis on dental implants is derived from comprehending their importance in overall oral health and a positive influence on individuals' confidence. We proffer a spectrum of restorative, cosmetic, and general dentistry services to ensure our patients receive the optimum care for their individual dental conditions."

The reliable service and commitment to patient satisfaction at Elite Dental are reflected in the high ratings from gratified patients. In a recent review, the clinic received five stars with the patient deeming Elite Dental as a "high-grade dental practice equipped with caring and experienced dental professionals."

Building on their extensive dental services, the practice also focuses on making their treatments affordable and accessible. With patient-friendly initiatives such as a new patient special and complimentary teeth

whitening for life, Elite Dental underscores its unwavering commitment to patient care. To learn more about Elite Dental and its range of services, please visit their website.

"Expanding on our dental implant services, we aspire to enhance both functional and aesthetic aspects of our patients' smiles," shared Dr. Jaganathan. "Our team's proficiency, coupled with the most innovative dental technologies, highlights our pledge to offer superior oral health care that our patients can confide in."

Beyond their concentration on dental implants, Elite Dental caters to a range of services including general dentistry, cosmetic dentistry, and restorative dentistry. Their team of seasoned dental professionals, backed by state-of-the-art dental technologies possesses the expertise necessary to perform a variety of dental procedures from wisdom teeth extraction and sleep apnea treatment to teeth cleaning, exams, and X-rays.

Their devotion to improving oral health in San Antonio, Pleasanton, and New Braunfels strengthens their reputation not just as a trusted dentist in San Antonio, TX, but also as a reliable dental clinic providing all-inclusive care for patients across the region. With the expansion of Elite Dental's teeth implants service, the dental clinic further underscores its position as a premier provider of effective, individualized dental solutions.
