March 05, 2024

CHARLESTON, SC - March 05, 2024 -
The Cleaning Crew Charleston, a prominent house cleaning service provider in South Carolina, recently announced the expansion of its deep cleaning services for both residential and commercial clients. This step underlines the company's continuous dedication to meeting the diverse needs of its customers.

The Cleaning Crew Charleston's deep cleaning service encompasses homes or offices that demand intensive cleaning. This service extends to include cleaning functions that typically are outside the scope of regular cleaning. Activities like cleaning behind appliances, dusting above cabinets, and scrubbing tile grout fall under this category. This is particularly advantageous for new occupants of a property or for periodic cleaning to maintain a healthful and clean living situation.

"Our customers' need for an intensive cleaning solution is understood by us. Our deep cleaning service is intended to ensure that every nook and cranny is impeccably clean. With our expansion, we can now cater to more homes and offices in Charleston," said Chris, a representative from The Cleaning Crew Charleston.

The company prides itself on providing an easy online booking system. This streamlines the process by offering instant quotations for any of their cleaning services, including moving in/out cleaning, deep cleaning, and post-construction cleaning.
