Milestone Story

Pastor Jeff Little began with a singular goal for Milestone Church: to guide people towards forming a personal relationship with Jesus and to build their lives on the solid principles of Scripture. He envisioned a vibrant, Spirit-filled church dedicated to the mission of reaching people and fostering growth in their lives.

This dream was realized when a dedicated group of 32 individuals congregated in the ballroom of a Holiday Inn in August 2002. This small gathering quickly grew in numbers, prompting a move to Indian Springs Middle School in Keller, where Milestone Church officially launched in October 2002. The church's growth was fueled by the transformative power of the Gospel, vibrant worship, and a focus on deep, sincere relationships, leading to an increase in both the congregation and commitments to Christ over the initial two years.

After spending two and a half years as a mobile church based in a school cafeteria, they established their first fixed location off Willis Lane in Keller. Soon, they outgrew this space due to expanding needs, from parking to classroom capacity, and found a new home in a repurposed retail space situated right in Keller?s core.

The acquisition of the Keller Parkway property marked a period of significant growth, enabling the church to broaden its outreach. Between 2009 and 2013, Milestone provided a spiritual home for more than 3,000 attendees each weekend.

In June 2013, the church embarked on a new chapter with the launch of its first satellite campus in McKinney, TX, evolving into one church in dual locales. By 2016, the congregation had increased to over 4,000, indicating it was time for another leap forward.

April 2017 marked the inauguration of its new home at 201 Mount Gilead. Since then, the church has witnessed the Lord's work through Milestone, touching more lives and growing to a fellowship of over 5,000 in weekend worship.

The growth continued, necessitating the launch of the Haslet campus in September 2021 at Leo Adams Middle School, with aspirations to build a dedicated facility. In March 2024, they moved to Eaton High School due to further growth.

Through all phases of growth and change, Milestone Church has remained steadfast to its founding vision. They are as committed as ever to outreach and warmly invite people and their families to join them on this journey.

Milestone Church is a life-giving, bible-centered, and Spirit-filled church with campuses in Keller, Haslet, and McKinney, TX.

Reaching People. Building Lives.
