March 07, 2024 -

Eastern Shore Inflatables, a renowned company specializing in inflatable party rentals, plans to expand its collection. Their expansion will include a new batch of water slide rentals, set to be available for the 2024 summer season. With these slides ranging from the height of 13 ft to 27 ft, they cater to a wide range of events, including backyard birthdays, church gatherings, and school field water days. To view their extensive range of water slides, including the popular 45 Foot Radical Rampage Water Obstacle and the 22 Foot Double Lane Big Kahuna Water Slide, please visit their website.

Eastern Shore Inflatables has built a solid reputation on the foundation of its excellent service, providing an extensive variety of inflatable rentals such as bounce houses, combination bouncers, and obstacle courses. By regularly updating their inventory, they uphold their status as a leading water slide rentals provider in their region.

"Our incoming inclusions of water slides will bring an exciting refresh to our stock, providing our clients even more variety when organizing their events," says Chris Thompson, a representative of Eastern Shore Inflatables. "We place great importance on having diverse options for all event scales and themes."

Located in Daphne, Alabama, Eastern Shore Inflatables doesn't only offer water slide rentals, but they also provide delivery and set up services. This ensures accurate and secure installations, reducing any risks involved in the setting up process. The company's unwavering commitment to customer safety is reflected in the use of 'lead-free' vinyl for all rental items, which are rigorously cleaned and sanitized before each use.

One standout aspect of Eastern Shore Inflatables is their convenient overnight hire option, which includes a 50% discount for a second day rental. This is appreciated for its flexibility especially for those hosting events spanning multiple days. For more details on their range of services, including the variety of bounce houses and combination bouncers offered, such as the Unicorn Dreams Double Lane Combination and the Shark Attack 4-in-1 Combination, interested parties can refer to their comprehensive website.

Eastern Shore Inflatables strives to ensure a smooth rental experience. Their website plays a significant part, featuring an extensive FAQ section and a detailed explanation of the waiver to address customer queries or safety concerns, reflecting their dedication to a comprehensive rental process.

"We aim to see things from the customer's viewpoint when it comes to water slide rentals," states Chris Thompson. "From the diversity of our options to our rental flexibility, our goal is to provide an unforgettable experience for our clients and their event guests."

Eastern Shore Inflatables is famed for ingeniously managing large parties and events by offering larger inflatable structures that present various challenges for kids. This engaging element not only establishes them as a provider of inflatables but also as an essential factor in producing vibrant and energetic event atmospheres.

Eastern Shore Inflatables continues its dedication to delivering dependable, safe, and fun-filled inflatable rental services with its expanding range of inflatable water slides.
