Nacogdoches, TX ? The pack and ship store, Klines / Wrap It Up, located at 628 N University Dr. Nacogdoches, TX 75961, is excited to announce the upcoming ribbon-cutting ceremony to celebrate the remodeling of the interior of their building for the first time since 1981. The event will be held on April 9th, 2024. Klines / Wrap It Up is a one-stop shop for shipping, printing, and dozens more business services.

The owner of Klines / Wrap It Up, David Welch, is thrilled that the shipping company was finally able to make renovations to the inside of their store. "The building has been here since 1981 and hasn't changed since," said Welch, sharing his excitement about the upgrades. "It had an outdated look with British racing green carpet and yellow walls with a matching green stripe. The change has been coming for a long time, and we couldn't be more thrilled for our customers to see the new look."

The inside of the building has been redone in almost every aspect. The whole interior has been repainted, and the carpeting has been replaced to match the walls. There is all new furniture and a brand-new

Point-of-Sale cabinet. Along with these changes, the exterior of the store has been upgraded as well. The sign on the front of the building is freshly made and reflects a more modern look than the previous one.
