Home Instead New Forest Expands Exceptional Care Service to Embrace More Communities

March 15, 2024

March 15, 2024 -
Home Instead New Forest, a respected provider of home care services situated in the scenic area of New Forest, UK, recently declared their planned service expansion to encompass additional neighbouring communities. This means that areas such as Lymington, Milford on Sea, Hordle, Sway, and Brockenhurst can now benefit from Home Instead New Forest - Home Care, Dementia Care & Live in Care. This extensive expansion effectively reduces waiting times for individuals who require home care services.

The company provides a vast array of home care services, including home visits, health care, specific care, and live-in care. Home Instead New Forest takes an individual-centred approach to their services, allowing for tailored care plans that cater specifically to individual requirements.

Home visits cover a broad range of services. Companionship services, for example, involve caregivers engaging clients in social interactions to combat loneliness. Additionally, home help and housekeeping services include assistance with cleaning, laundry, and meal preparation, while personal care assistance manages personal hygiene and grooming. Their caregivers also ensure the safety and comfort of clients throughout the night with their nightcare service. Daycare services are also provided.

Healthcare services cover everything from nail care to vital sign monitoring, ensuring that basic health needs are met. Therefore, clients of Home Instead New Forest - Home Care, Dementia Care & Live in Care can anticipate comprehensive healthcare support within the comfort of their homes.

Tim Oswald stated, "One of the core objectives at Home Instead New Forest is to create a supportive and thoroughly compassionate environment for our clients.? He added, ?Our commitment goes beyond providing care services. We aim to foster profound relationships that inevitably lead to an increased sense of well-being and contentment in our clients."

In addition to their current services, Home Instead New Forest also offers dementia care and live-in care. Care professionals at Home Instead New Forest are now dementia-certified, enabling them to utilise methods that manage symptoms and enhance the quality of life for individuals living with Alzheimer?s and other forms of dementia.

The live-in care service offered by Home Instead New Forest provides full-time support to those who prefer to stay at their homes. Clients receive round-the-clock assistance with day-to-day activities, personal care, housekeeping, meal preparation, medication management, and companionship from caregivers who reside within the home.

For more information on the range of services offered by Home Instead New Forest, including home visits, specialist care, health care, and live-in care solutions, please visit their website.

Tim Oswald noted that, "Every individual is unique and comes to us with distinct care requirements. This important uniqueness forms the cornerstone of our service delivery. Whether it's related to our dementia care program or live-in care service, we tailor our services to reflect the specific needs and preferences of each client."

The recent service expansion allows Home Instead New Forest - Home Care, Dementia Care & Live in Care to be accessible to more individuals needing personalized home care support. Their strategy ensures that caregivers and clients share common hobbies and interests, creating connections that go beyond professional relationships. This commitment to prioritizing the preferences and wellbeing of the client makes Home Instead New Forest a first-choice home care provider in the region.

In summary, the exceptional services that Home Instead New Forest offers are now available to a wider audience. Their unique blend of outstanding caregiver-client relationships contributes to their personalized service delivery. With their recent expansion, Home Instead New Forest's commitment to Home Care, Dementia Care & Live in Care is set to impact more communities positively.
