redShift Recruiting's 2024 IT Salaries Guide Simplifies Tech Hiring

March 19, 2024

March 19, 2024 -
RedShift Recruiting is excited to announce the release of its 2024 Tech Salary Guide, a comprehensive and free resource offering detailed insights into IT job salaries across the United States. With over 400 IT job titles, this guide presents national averages and specific salary data in an easy-to-use format, ensuring everyone, from employers to job seekers, has access to crucial information for making informed decisions in the tech sector.

"This guide isn't just about numbers,? says Dan Sterantino, President of redShift Recruiting. ?It's about fostering a deeper understanding of the tech job market, helping to align expectations and strategies for both employers and candidates. It aims not only to inform but also to facilitate better salary negotiations and hiring strategies, empowering employers with the data they need to attract and retain top talent and enabling job seekers to understand their market worth.?

The guide combines redShift Recruiting's extensive experience in IT staffing with real-world data from major job boards nationwide. While it emphasizes tech hubs in Upstate New York, such as Albany and Syracuse, it also reflects national trends, offering a broad perspective on the tech industry's compensation dynamics.

Alongside the 2024 Tech Salary Guide, redShift Recruiting offers an extensive IT Job Titles Library, featuring over 400 technology roles, including detailed information on top IT positions. This pairing affirms redShift's dedication to enriching the tech community with essential, clear, and actionable insights.

The launch of the 2024 Tech Salary Guide marks a significant milestone for redShift Recruiting. By providing this data-driven insight, redShift aims to foster an environment where both businesses and IT professionals are equally empowered to succeed.

In the world of tech, being ahead means everything. They invite people to take charge of their tech careers

and hiring strategies with the 2024 Tech Salary Guide. Be the first to download, not the last to know.
