

STAY ICON DRY!™

Mesa Roofers Icon Roofing Achieve GAF Master Elite® Certification, Solidifies Top 2% Status

March 26, 2024

March 26, 2024 - PRESSADVANTAGE -

Icon Roofing is pleased to announce its recent achievement, earning the GAF Master Elite® Contractor certification for roofing. This prestigious award is bestowed upon only the top 2% of North American roofing contractors, making it a substantial accomplishment for a family-owned and operated Mesa, AZ-based roofing company.

This certification is a testament to Icon Roofing's unyielding dedication to excellence, customer satisfaction, and ongoing professional training, placing them at the forefront of the roofing industry.

The GAF Master Elite® Contractor certification highlights Icon Roofing's value and superior offerings. It showcases their expertise, use of high-quality materials, and premier workmanship; they can offer an incomparable level of warranty coverage. This distinction is significant for clients who own multi-family buildings, apartment complexes, and luxury homes with large, expensive roofs. They can appreciate the inherent worth of choosing a roofing contractor with this notable certification, given the assurance that the contractor can offer warranties of 25 years on workmanship and coverage against manufacturing defects of up to 50 years on qualifying GAF products.

GAF Master Elite® Contractors carry a minimum \$1 Million insurance policy for liability and worker's compensation; they must have a good credit rating and practice the most up-to-date installation practices.

A spokesperson for Icon Roofing commented on the achievement: "Earning the GAF Master Elite® Roofing Contractor certification is an honor for the Icon Roofing family. We sincerely value our customers and take extra steps to ensure every project is successful?quality workmanship, high-grade materials, and 100% customer satisfaction. This recognition from an industry leader like GAF shows us that our team's diligent work and dedication payoff."

The commendation validates Icon Roofing's commitment to delivering unmatched roof repair and replacement services. It perfectly encapsulates Icon Roofing's mission of providing competitive pricing, quality materials, warranties on labor and materials, and a satisfaction guarantee.

While the prestigious GAF Master Elite® Contractor certification is a potent endorsement for potential customers, Icon Roofing remains unwavering in its top priority?exceeding customer expectations throughout each project. The team at Icon Roofing understands that 'roof repairs' or a complete 'roof replacement' is a significant project for any property owner. This understanding drives them to continue improving their skills and working to provide impeccable services to every customer, ensuring customers are delighted.

"The GAF Master Elite® certification is more than just a badge of honor for us," the company spokesperson added. "It reassures clients that they're hiring a responsible, licensed roofing contractor with high insurance coverages, a long history of successful projects, and warranty options that can cover their roof for its expected lifetime. The certification lets our clients know that we are experienced, committed to ongoing education and training, and are in good standing with the Better Business Bureau - they are entrusting their homes to a highly qualified roofing contractor who will finish their project while delivering excellent work."

The spokesperson said, "We primarily serve customers in the Metro Phoenix area, including Ahwatukee, Chandler, Gilbert, Mesa, Paradise Valley, Phoenix, Queen Creek, San Tan Valley, Scottsdale, and Tempe, but most of our business is referral-based, so we often serve customers in Buckeye, Carefree, Casa Grande, Cave Creek, Gold Canyon, Goodyear, Florence, Maricopa, and Payson."

Icon Roofing's website details its wide range of professional roofing services. It informs users about financing options and provides homeowners with helpful information about submitting insurance claims for damaged roofs.

With the recent accolade of becoming a GAF Master Elite® Contractor, Icon Roofing has further highlighted its steadfast dedication to delivering superior roofing services.

This notable certification, renewed annually, underscores Icon Roofing's long-term commitment to using quality materials and providing exceptional workmanship. More significantly, it reassures customers, particularly those owning multi-family units or apartment complexes, about the coverage, financial stability, and service they can expect from Icon Roofing.

Those interested in learning more about the comprehensive range of services offered by Icon Roofing, including roof repair, replacement, and inspection, are encouraged to visit their official company website. This dedication to quality and customer service is the foundation of Icon Roofing's high standards of excellence in every project they undertake.
