Crown Coast Umbrellas, a company located in Valley Cottage, NY, is proud to announce that their product has been voted the most popular best rated travel umbrella on Amazon. The product can be found at <http://www.amazon.com/dp/B015ILHPSU>.

Sam Moir, a spokesperson for Crown Coast Umbrellas, says: "We really want to thank the public for putting so much trust in us. We stand by the quality of our products, but to see how well the umbrella has been received by the public with people noticing all the benefits we built into the umbrella is just wonderful to see. We're incredibly proud and truly grateful for our customers."

The travel umbrella is available in a wealth of different colors. It is made from heavy duty certified material and comes with auto open and close features. While it has been designed as a travel umbrella, which means it folds up and is small enough to fit in the average handbag. Yet the canopy is surprisingly large at 39 inches fully open, as well as fully windproof up to 60 mph.

People who have purchased the umbrella have been full of praise about it. Receiving over 320 positive

reviews Crown Coast umbrellas are turning out to be crowd favorite to stay dry in the rain. "We've all been there," says Tracie B. "We're outside on a rainy days and the wind is gusting and before you know it, your umbrella has been turned inside out and breaks. Well, not anymore. I've had a lot of different umbrellas in my lifetime, but this one is the best one that I've ever used. It's durable, extremely well made, has a soft touch handle and and automatic open/close feature that can't be beat. On top of all that, it's windproof. (up to 60MPH). I tried turning it inside out and then flipping it back again (multiple times) and there were no broken arms. The way that these umbrellas have been constructed makes them more flexible."
