

Honolulu Flooring Company Pacific Floor Covering LLC Announces Expansion to Meet Growing Demand

March 20, 2024

March 20, 2024 -
Pacific Floor Covering LLC, a distinguished flooring contractor in Honolulu, Oahu, Hawaii, announced today its intentions to expand operations. This development comes in response to the growing demand for elite commercial flooring installation. With over 20 years of service, Pacific Floor Covering has been trusted by the Hawaii community for their floor preparation and installation expertise, specializing in luxury vinyl plank flooring, carpet installation, tile flooring, and hardwood flooring.

Daryl, CEO of Pacific Floor Covering, described the planned expansion as follows: "The expansion of operations is a direct response to the increased demand for our services. It validates our well-earned reputation and aligns with our mission to continue delivering exceptional service to our valued clients."

As one of the leading flooring contractors in the area, Pacific Floor Covering has frequently demonstrated its ability to handle a variety of projects. These range from federal and state buildings to retail stores, commercial establishments, and hotel resort properties. The company's high regard for customer service,

attention to detail, and adherence to project timelines have secured its standout reputation.

Among Pacific Floor Covering's wide array of services is the provision of Luxury Vinyl Plank Flooring. Industry insiders commonly refer to this as LVT. Commercial clients find this flooring choice appealing for its durability, aesthetic variety, easy maintenance, and waterproof characteristics. Pacific Floor Covering's carpet installation services provide resilience and stain resistance, making it suitable for locations with high foot traffic. Also, they offer a variety of tile flooring designed to withstand heavy usage while maintaining its aesthetic appeal. Moreover, Pacific Floor Covering supplies hardwood flooring?an elegant, long-lasting floor option that necessitates minimal maintenance.

Furthermore, Pacific Floor Covering LLC has held the status of a fully licensed flooring contractor since 2001 and is accredited by the Better Business Bureau. Their unyielding commitment to high standards of customer service and workmanship remains evident in every project they manage.

In a sector where dependability and effectiveness are vital, Pacific Floor Covering stands tall. Daryl closes by stating, "The fact that we guarantee smooth and timely project completions and provide warranties on all our installations sets us apart. We cherish the relationships we've built with our customers and contractors, and we look forward to the future of Pacific Floor Covering." For more information about Pacific Floor Covering and its services, please visit their website here: https://pacificfloorcovering.com.

Throughout its operation, Pacific Floor Covering has consistently received positive reviews that attest to its professionalism and quality of work. The company has played a significant role in the industry and within the broader Hawaiian community, offering great value and expertise in its services.

As it embarks on expansion, Pacific Floor Covering is ready to further its success, meeting the needs of its clientele and extending its industry reach. This move again underlines its status as one of the best-known flooring contractors. Pacific Floor Covering's team eagerly anticipates serving both existing and new customers as they broaden their operations in the coming months.
