

M&H Towing and Recovery Elevates Tow Truck Service to New Heights in Western Colorado

March 22, 2024

March 22, 2024 - PRESSADVANTAGE -

M&H Towing and Recovery, a well-respected, family-owned towing service situated in Montrose, Colorado, proudly announces significant growth since its establishment in 2001. This reputable company has seen impressive growth in its fleet and a strategic boost in services. Such enhancements enable the company to serve the Western Slope Colorado community more effectively and extensively.

The company's humble beginnings featured one Rollback and a single Heavy Duty Wrecker. In contrast, today's fleet includes two Rollbacks, a state-of-the-art heavy-duty wrecker, a specialized off-road recovery Jeep, a reliable support truck, and a skid steer equipped with a winch box fondly referred to as "Charlie." This diverse and robust fleet has resulted in an elevated standard of service offering faster and more efficient delivery of various services. Information about the services and the company can be found at <https://mhtowingrecovery.com/>.

Expressing his pride in the company's progression, the Owner/Operator of M&H Towing and Recovery,

Pryce Hoey, stated, "Watching our business evolve over the years fills us with immense satisfaction. This growth broadens our capacity to reach more members of our community with our expert services."

The services from M&H Towing and Recovery expand from quick-response roadside assistance and towing capacities of various sizes, to specialized off-road vehicle recovery, even in difficult weather circumstances. The company's commitment to quality service has garnered appreciation amongst its clientele. For a more in-depth look at their range of services, visit <https://mhtowingrecovery.com/about/>.

Beyond professional commitment, M&H Towing and Recovery also values their community, substantiated by their community-centered initiatives. One such initiative focuses on combating breast cancer. One truck from their fleet not only offers towing services but also contributes financially to the local Bossom Buddies chapter, with five percent of its revenue allocated to this noble cause. The community's response to this endeavor can be seen at <https://www.facebook.com/MHTowingandRecovery>.

Hoey further commented, "The local community is at the heart of our operations and the reason we are here today. Our Breast Cancer Awareness initiative is proof of our unwavering dedication and commitment to them."

M&H Towing and Recovery, backed by their partnership with the Colorado State Highway Patrol, the City of Montrose Police Department, and the Better Business Bureau, stands as a reliable and professional entity. The company operates across Montrose, Delta, San Miguel, Ouray, and Gunnison Counties, serving a significant portion of Western Slope Colorado's residents.

The company's success is largely attributed to their dedicated and trained tow truck operators who are always ready to handle varied towing scenarios with utmost care and precision. As M&H Towing and Recovery continues to grow and enhance its fleet, they promise to maintain their hallmark of prompt and comprehensive service to all clients within the Western Slope Colorado region. Keeping up with the evolving needs of their patrons is of paramount importance to them.
