April 08, 2024

STATEN ISLAND, NY - April 08, 2024 -

TICAL, recognized for its premium range of clothing and accessories, has recently unveiled a collaborative venture with the Wu-Tang Clan brands. This partnership introduces the Shops of Shaolin, an engaging shopping experience at the National Cannabis Festival. This marks a pivotal moment as it represents the first instance of the Wu-Tang Clan brands joining forces in such a capacity. Highlighting this collaboration is a special contest offering participants the chance to win two weekend passes to witness the Wu-Tang Clan, alongside Redman, Thundercat, and additional performers on April 19 and April 20 in Washington DC. Winners will also be treated to a \$100 shopping spree for Method Man merch at Buy TICAL.

To partake in this contest, participants are encouraged to go to Instagram, find @ticalofficial and @buytical, and interact with the Shops of Shaolin post. Actions such as liking, saving, sharing the post on their story, commenting with their favorite Wu-Tang Clan song, and following @naticannabisfest and all the Shops of Shaolin brands mentioned in the post will bolster their chances of winning. The lucky winner will be unveiled on March 28, presenting a unique opportunity for avid fans and newcomers to engage.

The Shops of Shaolin collaboration with the Wu-Tang Clan at the National Cannabis Festival is a milestone for TICAL. It embodies the principle of "Taking Into Consideration All Lives," reflecting the brand's dedication to unity, music, and community engagement. This initiative not only honors the legacy of the Wu-Tang Clan and Method Man but also further cements the relationship between the realms of music and fashion.

Clifford Smith, Jr., also known as Method Man and co-founder of TICAL, expressed his excitement about this collaboration, "Being part of the National Cannabis Festival with the Shops of Shaolin represents an exciting venture for us. It's a fantastic platform to bring together fans of music, fashion, and culture, offering them a unique experience. More so, providing the chance to win passes for a Wu-Tang performance and indulge in a shopping spree for Method Man merch is something we're proud to offer our avid supporters."

Joshua "Raz" Rassin, the COO of TICAL, provided further insights into the significance of the event, "This collaboration is a notable achievement for TICAL as it merges different facets of our ethos - exclusivity, culture, and music. We're eager to witness our community convening at the National Cannabis Festival and to gift a fortunate individual the chance to join in this experience."
