March 27, 2024 - PRESSADVANTAGE -

In light of a recent announcement regarding Greenstein & Milbauer, LLP's achievement, the firm wishes to clarify an important detail pertaining to its prestigious ranking. While the firm was honored to be recognized as 7th among New York City's top firms, it has come to our attention that there was a misclassification of our specialization in the announcement.

The recognition, as reported, mistakenly identified Greenstein & Milbauer, LLP as a leading private investigation firm based on Google reviews. We wish to correct this error by stating that our firm has been distinguished for its excellence in the field of personal injury law, not private investigation. This accolade reflects our commitment and success in providing top-tier legal representation to individuals who have suffered injuries due to the negligence of others.

With over three decades of dedicated service, Greenstein & Milbauer, LLP has solidified its reputation as a cornerstone of the New York City legal community, specializing in personal injury cases. Our mission has always been to advocate for the rights of victims, ensuring they receive the justice and compensation they are entitled to. The recognition we received is a testament to the positive outcomes we have achieved

for our clients and the impactful support we have provided during their most challenging times.

In a recent ranking compiled by the esteemed financial and investing website, Insider Monkey, Greenstein & Milbauer has been honored with the 7th position on the list of the best personal injury law firms in New York City. This prestigious recognition comes as a testament to the firm's unwavering commitment to providing exceptional legal representation to those injured due to the negligence of others.

With a rich history spanning over three decades, Greenstein & Milbauer, LLP has established itself as a pillar of the legal community in New York City. Specializing in personal injury cases, the firm has dedicated itself to fighting for the rights of victims, ensuring they receive the compensation they deserve. Their success is not only measured by the substantial settlements and verdicts they have secured for their clients but also by the positive impact they have made on their clients' lives during challenging times.
