Delco Storage Enhances Units and Customer Experience Near Collingdale, PA

May 07, 2024

May 07, 2024 -
Delco Storage, a distinguished leader in self-storage services located near Collingdale, PA, has announced the introduction of new management to amplify the quality of service and operational excellence. This pivotal change is aimed at better accommodating the storage requirements of the local community through the implementation of cutting-edge strategies and enhancements centered on customer satisfaction. Delco Storage offers an array of services, including contactless rentals, diverse unit sizes, and online bill payment options, striving to deliver an effortless storage experience for its clientele.

The newly inducted management team, with its extensive background in the self-storage sector, is committed to the introduction of pioneering practices that will serve the interests of both prospective and current customers. The enhancement of customer service protocols and the provision of more adaptable storage solutions stand as primary objectives of this strategic shift. It is anticipated that these initiatives will fortify Delco Storage?s dedication to supplying convenient and secure storage solutions near Collingdale, PA, at competitive rates.

Erik Martinez, speaking on behalf of Delco Storage, conveyed excitement about the organization's new trajectory: "We are thrilled to welcome our new management team, who brings a new vision and fresh ideas to Delco Storage. Their expertise will be invaluable in our ongoing efforts to offer the best storage solutions to our community. We are confident that this change will enhance our customer service and make storing with us even more convenient."

The announcement also sheds light on further enhancements and the ongoing availability of valued services, such as a 10% discount for first responders and a seasonal Spring Special offering limited-time reduced rates. Delco Storage continues to pledge all-encompassing storage solutions, including an elaborate size guide and storage FAQs, to aid customers in finding the suitable unit for their storage needs.
