

## **Ice Break Shipping LLC Announces High Grade Auto Transport Service**

*April 02, 2015*

April 02, 2015 - PRESSADVANTAGE -

Ice Break Shipping LLC, a Portland, Oregon-based company, announces the availability of high grade auto transport by air, ground, and ocean. The company offers a large selection of services and is targeting the title of "World Premier Global Shipment Concierge" in their latest bid to give companies the best of the transport industry. The company has said the following regarding their efforts:

"Are you looking for a company that can deal with your LTL problems? Do you want the best solution for you, but only at a fraction of the price you would pay with those so-called "big" names? Well, that's what we're here for! We here at IBS (Ice Break Shipping) are here to cater to your shipping needs, however big or small they might be. We offer 100% Transportation Flexibility and Reliability!"

Interested businesses can get a free auto transport quote on the company website at [www.icebreakshipping.com](http://www.icebreakshipping.com). Other features are also available through the website, such as frequently asked client questions, and pertinent contact information. The long list of services supplied by this transport firm are also made evident, including supply chain incentives like freight optimization, coordination of bidding, scheduling, shipping, tracking, invoicing, reporting, and more.

For those who are interested in the services provided; for learn more click [here](#). The link extends to an informational video, which helps to break down more services and features such as contracts with many of the major railroad operators and stack train operators. This gives highly competitive rates on transport within the United States, Canada, and even Europe.

Safe pick-up and deliveries are promised through the use of cargo vans, straight trucks and other vehicles which make up the fleet of Ice Break Shipping LLC's transport team. Additionally, the company has access to more than seventeen hundred stepdecks and fourteen hundred flatbed trailers for client use, and has said the following about their ability to cater to the needs of those who utilize their transport services:

"Just imagine being able to get all of that with one contact: no more draggy processes to get what you need. We cater to you, and fast too."

The encouragement of obtaining an auto transport quote is clearly essential as the company has made it obvious that their prices are far superior in terms of affordability when compared to competitors. In fact, they have stated on their website that on average they save clients \$250 on each shipment in comparison to local and global competition. The quote is free and obligation free, meaning that companies who request a quote are not contractually obligated to made any purchase or payment plan unless satisfied with the quote and the services offered.
