April 11, 2024 -

Cowgirl Radio is excited to share the latest developments in its musical rotation, now prominently featuring Beyoncé's complete Cowboy Carter album. This eagerly awaited addition is now in rotation for listeners to enjoy in-full on the station, representing a significant highlight for fans of the world-renowned artist. Along with this key update, Cowgirl Radio has also expanded it's offerings from world-renowned vocalist Sharon Jones, with the addition her 2016 single Midnight Rider. This addition reminds listeners of the soulful and indelible essence of the late artist, while also enriching the station's musical diversity.

Additionally, several tracks from Lucinda Williams? 1998 album, Car Wheels On a Gravel Road, have been added into rotation, showcasing Williams' distinctive vocals and narrative prowess?a seamless fit for the station?s focus on a range of genres including Country, Alt-Country, Americana, Contemporary Country, Classic Soul and Alternative Folk. Furthermore, Cowgirl Radio now features emergent British artist: Yola, already an accomplished songwriter posessing both a singularly unique vocal talent, and an expansive discography, further diversifying the station?s digital broadcast lineup. Listeners can tune-in simply by visiting Cowgirl Radio's homepage, or listen-in from anywhere with the Live365 app, available on any smartphone or SmartTV.

Ben Killen, spokesperson for Cowgirl Radio, expressed his excitement about these updates by stating, "Bringing Beyoncé's Cowboy Carter to Cowgirl Radio is a significant achievement for us. Her exceptional talent and the rich storytelling found within Cowboy Carter amplify our mission and reinforce our own dedication to promoting dynamic female voices in music. Expanding our offerings from Sharon Jones, and adding Lucinda Williams, and Yola to our catalog underscores our commitment to broadening the diversity of artists and experiences our listeners have access to."

As an online radio station hosted on the industry-leading Live365 platform, Cowgirl Radio is committed to providing the best in a number of music genres to global audiences. Since its inception, the station has striven to create a space that honors the stories and contributions of women in music, presenting a diverse country lineup, challenging mainstream norms.

Listeners who are excited by these latest additions can Listen Live to Cowgirl Radio, where they will uncover a variety of musical styles and influential artists who are making a permanent impact on music industry. Cowgirl Radio's dedication to enriching its offerings guarantees that every listen offers a unique and evolving musical odyssey.

Expanding on the station?s objectives, Ben Killen commented, "Adding more great music from Sharon Jones, Lucinda Williams, and Yola, alongside Beyoncé's recent album, highlights Cowgirl Radio's resolve in elevating women's voices through music. Our audience appreciates the variety they find in our broadcast, and we're devoted to continually refreshing our selection to mirror the eclectic tastes of our discerning listeners."
