

Astoria Samui Villas Announces Growing Opportunities For Thai Luxury Villa Investment

December 28, 2015

December 28, 2015 - PRESSADVANTAGE -

Koh Samui TH, 22-DECEMBER-2015 ? Astoria Samui Villas has announced that luxury island villas on the Gulf of Thailand are available for investment and ongoing income to owners. The growing numbers of travellers who have found the previously secret destination make the Astoria Samui Villas a desirable investment.

Presented for the review of investors in the popular destination of Thailand many luxurious homes are available for sale on the third largest of the islands, Koh Samui. Koh Samui is located in the Gulf of Thailand, only 30 minutes by boat from the mainland. The company says that the Koh Samui property featured on the website is one of the several opportunities for investment in attractive and unique properties in this part of the world.

The real estate for sale is priced to sell for 20 million THB (\$554,670 USD). One specific villa is a combination of traditional and modern design and forms welcome location for a stay on the island. The location of Koh

Samui villas for sale provides access the popular attractions in Chaweng. Browsing the images of the luxury villas for sale reveals images of water, sand and welcome retreats from the noisy surroundings of the rest of the world.

The luxury villa is an example of the fine holiday homes which are available for investment in real estate in Thailand, particularly in Koh Samui. It has three bedrooms and four bathrooms and is fully furnished with a well-appointed kitchen. A spacious swimming pool offers respite from tropical temperatures.

For more than two decades, the Koh Samui surroundings have been growing in popularity for Asian and European travellers alike. Some of the amenities in the area include a warm and welcoming people, fine restaurants, beaches and golf courses. The area is blessed with a tropical climate and consistent temperatures.

Those investors who are interested in diversification of their investment portfolio should review the opportunities in this part of the world. A property in Koh Samui for rent or for sale has been a popular method of establishing an ongoing rental income.

Further details and images about the property can be seen at <http://www.astoriasamuivillas.com/>
