

Three-Room Carpet Cleaning Special Offered By Patriot Carpet Cleaning

December 28, 2015

December 28, 2015 - PRESSADVANTAGE -

Mesa AZ, 21-DECEMBER-2015 ? Patriot Carpet Cleaning is pleased to announce that they are offering customers a special deal on three rooms of carpet cleaning service for just \$99. The company says that even though the price is perfect for preparing the home for holiday entertaining, the quality of the carpet cleaning Mesa AZ services remains the same.

The cleaning services of Patriot begin with an assessment of the tasks that need to be accomplished. This individual consultation means looking at what is necessary to return the floor covering to the best possible condition. After reviewing the condition of the carpet, an estimate of the cost of the cleaning and the length of time to complete the work is provided.

When the customer decides to continue with the services, the professionals begin by removing any of the furniture to provide the best-looking results. Although this step is optional, the company says that it makes sense to remove stains from the entire carpet. The actual cleaning process removes dirt and grime, using the highest quality cleaning agents.

In addition to carpet cleaning and tile cleaning, Patriot provides upholstery cleaning and power washing as part of their services. Homeowners can also request junk removal. When there is a water leak or storm damage, Patriot Carpet Cleaning professionals can perform minor water extraction.

Patriot says they aim to offer exceptional service in many different ways. The carpets are deep cleaned in order to extract all of the dirt and debris from floor coverings, and the truck-mounted steam extraction process is able to kill germs, bacteria and dust mites on contact. The method of steam cleaning is recommended by nearly all carpet mills.

The process of cleaning used by Patriot has been effective in eliminating dirt and dinginess from the carpets. At the same time, no chemicals or soap are left in the fibers to serve as dirt collectors in the future. Employees of Patriot Carpet Cleaning are always IICRC-certified cleaners.
