

Touch of Aloha Celebrates 15 Years of Gold Coast Service

December 29, 2015

December 29, 2015 - PRESSADVANTAGE -

Touch of Aloha celebrated 15 years of service in the Gold Coast area in 2015. Since 2000, the company has served thousands of clients with premier massage therapy services.

Touch of Aloha has been ranked #1 by clients on Trip Advisor in the Spas and Wellness category for both Surfers Paradise and the Gold Coast. The staff at Touch of Aloha says that they've also been getting positive feedback for the essential oils used in their treatments. In 2016, Touch of Aloha says they'll be offering free introductory essential oil classes.

During the free classes, students will get to use their senses to smell, feel, and learn about the oils used at Touch of Aloha. Attendees will also get to taste treats made with food-based oils such as peppermint, orange, and lime.
