

Soothing Lotus Announces New Promotion To Give Customers Free Essential Oils

April 09, 2015

April 09, 2015 - PRESSADVANTAGE -

Soothing Lotus has announced a new monthly promotion, which will allow anyone to get their hands on free essential oils. The "You're In It 'Til You Win It" monthly giveaway contest is designed to give people the opportunity to enjoy some of the world's most delicious scents. Each month, the set of 100% pure essential oils that can be won will be announced by email.

"We know that people are becoming increasingly interested in essential oils, and for good reason," says Krysti Horwitz from Soothing Lotus. "Essential oils smell delicious, which is always a good thing, but they are also incredibly versatile and good for your health through aromatherapy."

The contest requires participants to simply enter their name and email address on the Soothing Lotus website and a winner will be picked at random each month. The current prize is the #1 best selling set of 100% pure essential oils on Amazon.com, which have a value of \$25. Presented in a beautiful box that holds the six bottles, the prize is likely to gather lots of interest. Winners will be notified via email, which is why it is so important to include the right details.

Using essential oils can be done in a variety of different ways. Many people add a few drops to their night time bath to help them relax and enjoy the soothing scents that these oils offer. Some people add a few drops to some water and place it in a burner, while others use essential oil diffusers to have nice scents in their home throughout the day.

"The health benefits of essential oils have been well documented," explains Peter Crane, an aromatherapy expert. "Mother Nature has given us everything we need to be healthy and the scents and oils of natural products can help us to be calmer, happier and healthier. Indeed, I would say they are vital to our lives. Additionally, people often have scent associations, which allow them to almost relive positive times during their lives when they smell something."

Thanks to the monthly contest, people have the opportunity to learn more about essential oils and how they can enrich one's life, and even get the chance to use them. No purchases are required, and people only have to enter their name and email address at <http://www.soothinglotus.com/free-giveaway/> in order to take part. Soothing Lotus hopes that the contest will get more people to become even more interested in essential oils and diffusers. Mostly, they hope people will be able to achieve greater health and happiness as a result of using completely natural products and oils.
