May 14, 2024

GOODLETTSVILLE, TN - May 14, 2024 - PRESSADVANTAGE -

Goodlettsville, Ten. April 2, 2024: Xtreme Exteriors, a leading exterior contractor headquartered in the Midwest, is delighted to announce the grand opening of its new showroom in Goodlettsville, Tennessee. The grand opening ceremony, featuring key figures from Goodlettsville & Nashville TN Chambers of Commerce as well as Robertson County and White House Area Chambers, marks a significant milestone. This expansion not only signifies the company's growth but also pays homage to its family-owned heritage, which has been dedicated to serving the community for over 20 years under Hunter and Summer Lampe's leadership.

The Goodlettsville showroom is a testament to Xtreme Exteriors' commitment to offering homeowners an accessible and thorough home improvement experience. The company, known for its wide array of services including decking, siding, roofing, and window installations, stands as the largest James Hardie Elite Preferred Installer in the Midwest and possibly the nation, in addition to its role as an Owens Corning Preferred Contractor.

Stephen Spallo, the spokesperson for Xtreme Exteriors, expressed the company's ethos, stating, "At Xtreme Exteriors, we stand for fair pricing, quality work, and a strong community rapport. Our new showroom in Goodlettsville embodies these principles, providing a space where homeowners can explore diverse exterior home solutions. We aim to collaborate with you in enhancing your home's beauty and functionality, rather than pressuring you into making a purchase."

Xtreme Exteriors differentiates itself in the competitive market through its dedication to quality and comprehensive service offerings. Every project is overseen by a dedicated project manager to ensure a seamless experience that meets customers' expectations, with final payment being requested only once the customer is completely satisfied with the work.

As renowned exterior home remodelers, Xtreme Exteriors has earned acclaim for creating impressive, long-lasting outdoor living areas using premium materials. The new Goodlettsville showroom allows visitors to explore various material options, learn about the benefits of composite decking, and consult with experienced professionals. Additionally, the company offers complementary storm damage inspections, ensuring thorough assessments are conducted before any insurance claims are filed.

"We invite anyone considering home exterior or remodeling projects to visit our Goodlettsville showroom. Our aim is for you to leave with a comprehensive understanding of your options and full confidence in your decisions. This showroom isn't just a showcase of our services but a testament to our commitment to excellence and customer satisfaction," Spallo added.

Similar to their dedication, Xtreme Exteriors has been recognized for its exemplary services, affirmed by their extensive range of services and positive feedback from the community they serve. More details about their offerings can be found directly on their website. Functioning as a prominent siding company Nashville and its surrounding regions can rely on, Xtreme Exteriors is fully licensed and insured, guaranteeing that only top-quality materials are used in their projects. With superior certifications and warranties, homeowners can trust that their investment is safeguarded. The expansion into Goodlettsville further demonstrates the company's dedication to making premium exterior solutions widely accessible, solidifying Xtreme Exteriors' position as a trusted name in the field of exterior contracting.
