May 01, 2024

DENVER, CO - May 01, 2024 - PRESSADVANTAGE -

Local window cleaning company, Ease Your Panes, has been named the winner of the prestigious 2024 Best of Mile High award. This award recognizes the top businesses in the Denver metro area based on customer satisfaction ratings and reviews.

"We are incredibly honored to receive this award as the best of the best in the Denver area," said David Ennis, owner of Ease Your Panes. "Our entire team works tirelessly to provide the highest quality window cleaning, solar panel cleaning, gutter cleaning, and Christmas light installation along with exceptional customer service. This award validates all of our hard work and dedication to our craft."

Ease Your Panes has been keeping windows sparkling clean for residential and commercial clients throughout the Denver area for over 20 years. What started as a small window washing operation has grown into one of the most trusted and respected names in the industry.

"When I started this company back in 2002, I just wanted to make a living doing something I was passionate about," Ennis said. "Little did I know it would turn into Denver's top window cleaning service. I have to credit our amazing team of experienced technicians who take immense pride in their work."

The company's strong reputation is built on its commitment to safety, quality workmanship, and outstanding customer service. All Ease Your Panes technicians undergo extensive training to ensure proper window cleaning techniques that leave windows streak-free and smudge-free.

"We take a very detail-oriented approach," Ennis explained. "It's not just spraying some water on the glass and calling it a day. Our technicians are meticulous in their cleaning methods to get every window completely clear of dirt, grime, hard water stains - you name it."

In addition to residential window cleaning, the company offers commercial window cleaning services for businesses, office buildings, retail stores, and more. Ease Your Panes also provides complementary services like gutter cleaning, solar panel cleaning, glass scratch removal, and Christmas light installation.

"We strive to be a true one-stop shop for all window cleaning and exterior maintenance needs," Ennis said. "Customers really appreciate having a single reliable company they can call for any of those services."

What truly sets Ease Your Panes apart is its unwavering commitment to customer satisfaction. The company offers a 100% satisfaction guarantee on all services.

"If a customer isn't completely happy with our work for any reason, we'll come back and re-clean everything at no extra charge," Ennis stated. "Their satisfaction is our top priority, plain and simple."

That customer-focused approach has earned Ease Your Panes a stellar reputation, as evidenced by the overwhelmingly positive reviews that helped secure the Best of Mile High award this year. Customers rave about the company's professionalism, attention to detail, and consistent high-quality results. They also talk about the company's friendliness, punctuality, quality, responsiveness, value, and much more.

In addition to superior service, Ease Your Panes is deeply committed to sustainable and environmentally friendly practices. The company uses only eco-friendly cleaning products and solutions that are biodegradable and free of harsh chemicals. Ease Your Panes has also implemented comprehensive recycling and waste reduction programs to minimize its environmental footprint.

"We take great care to be a green company that operates in a way that protects our environment," Ennis stated. "From our cleaning products to our processes, sustainability is woven into everything we do."

"This award belongs to every single member of our team who works so hard day in and day out," Ennis said. "I'm extremely proud of what we've built here at Ease Your Panes. Being voted Denver's best is the highest honor, and it motivates us to uphold that standard of excellence with every single job."

As a 2024 Best of Mile High winner, Ease Your Panes looks forward to continuing to provide unparalleled service to homeowners and businesses across the Denver metro area for many more years to come.
