GARLAND, TX - May 13, 2024 - PRESSADVANTAGE -

Keathley Landscaping, a prestigious full-service landscaping firm, is excited to announce the addition of professional sod installation near me, French drain service, and landscape lighting solutions to its extensive array of services. Positioned in Dallas, Texas, Keathley Landscaping extends its expert services to various areas including Wylie, Garland, and Plano. The firm is dedicated to transforming outdoor spaces into areas that are not only visually appealing but also fully functional. Renowned for its commitment to quality and customer satisfaction, Keathley Landscaping seeks to solve the common landscaping challenges faced by both residential and commercial property owners in the region. Interested individuals can find more about their comprehensive landscaping solutions by visiting their website.

The sod installation service offered by Keathley Landscaping is tailored to instantly beautify your lawn, ensuring it looks lush and vibrant. The company acknowledges the significance of having a well-maintained lawn and has employed a team of proficient professionals. These experts are tasked with soil preparation and the installation of high-quality sod acquired from reputable suppliers. This service is not only aimed at enhancing the visual appeal of properties but also facilitates the faster and more efficient establishment of green lawns compared to traditional seeding methods.

Keathley Landscaping also recognizes the crucial role that proper drainage plays in maintaining the health and longevity of landscapes. As such, the company provides a French drain service designed to mitigate water-related issues such as damage, soil erosion, and basement flooding. This service involves a detailed drainage assessment followed by the design and implementation of a customized drainage solution that complements the existing landscape, thus ensuring effective water management and safeguarding the property's foundation.

Furthermore, Keathley Landscaping offers landscape lighting services aimed at illuminating and enhancing the beauty of outdoor spaces. Whether it's accentuating architectural features, garden elements, or providing ambient lighting for social areas like decks and patios, Keathley offers a plethora of lighting solutions. These energy-efficient and durable options not only spotlight the attractiveness of one's outdoor areas but also turn them into welcoming spaces for enjoyment and entertainment after sundown.

Logan Keathley, the CEO of Keathley Landscaping, underscored the significance of expanding their service range, stating, "Our mission is to help our clients create and maintain outdoor spaces that they love and can enjoy throughout the year. With the addition of sod installation, French drain implementation, and landscape lighting to our services, we are equipped to offer more comprehensive solutions that address the aesthetic, functional, and sustainability aspects of landscaping."

Keathley also touched on the transformative impact these services can have on property values. He added, "Investing in professional landscaping services not only enhances the visual appeal and usability of your outdoor spaces but can also significantly increase your property's value. We are excited to offer these specialized services to our clients, ensuring they receive the highest quality of work that Keathley Landscaping is known for."

For those seeking to enhance their outdoor environments, Keathley Landscaping's expanded offerings provide an all-inclusive solution for efficient sod installation, effective drainage systems, and captivating landscape lighting. With a steadfast dedication to excellence and customer satisfaction, Keathley Landscaping remains a top choice for landscaping services in Dallas and its neighboring regions.
