

EZ Pest Exterminating Launches, Offers Dependable and Affordable Bed Bug Extermination

December 31, 2015

December 31, 2015 - PRESSADVANTAGE -

The team at EZ Pest Exterminating is pleased to announce that their services are now available for clients in the Brooklyn area. The fully licensed and insured team offers termite, mice/rat, and bed bug extermination services that are professional and affordable.

When it comes to bed bug extermination, EZ Pest Exterminating recognizes that people typically incur high costs to rid their homes of pests. While offering affordable bed bug extermination, EZ Pest Exterminating offers highly professional services. "Our company is the best bed bug exterminator Brooklyn can offer," says the team. All their technicians are trained and educated to ensure that clients are successfully treated for bed bugs with a single treatment.

EZ Pest Exterminating offers environmentally friendly bed bug extermination services that are safe for children and pets. Services are discreetly administered and provided on a case-by-case basis, meaning that each client is provided with their very own treatment plan based on their needs. While the EZ Pest Exterminating team says that their bed bug services are necessarily inexpensive, they do guarantee to give an upfront quote with no hidden costs, and all services are backed by a high level of professionalism and success.

At the company's newly launched website, prospective and existing clients can find information about preparing for bed bug extermination treatment, hiring bed bug dogs, various bed bug treatments, and more. Details about Brooklyn bed bug extermination services can be found at <http://www.ezpestexterminating.com/services/bed-bugs/>.

The company also offers the same high level of customer care and commitment when administering termite, rat, and mice services.

Currently, EZ Pest Exterminating serves clients within the New York City and Brooklyn areas. Prospective clients can receive a free quote by completing an online form or by calling the company directly. More

information can be found at <http://www.ezpestexterminating.com/>.
